Dear George —

Thanks for your interest in our group!

Here are a couple of newsletters that should give an idea of what we're doing. I'll put you on the mailing list for future newsletters. We have no formal dues. Occasional requests for contributions in the newsletter have been enough to cover our needs.

We have a mailing list of 850, a telephone tree of 100 (for monthly messages about meetings, upcoming events, write-your-congressman issues) and a core of 2 or 3 dozen active members.

We're having a picnic this Friday Aug. 14 at Menotomy Rocks Park picnic area (enter from Jason St. in Arlington). Potluck. You're most welcome to come meet us. Of course, we can use all the help we can get with the upcoming contra aid vote. For more information on how to volunteer in projects
