

and what changes come to you. You are going to wait on God, know Who He is and what He will do. The whole duty and blessedness of waiting on God has its root in this, that He is such a blessed Being, full, to overflowing, of goodness and power and life and joy, that we, however wretched, cannot for any time come into contact with Him, without that life and power secretly, silently beginning to enter into and blessing us. God is Love! That is the one only and all-sufficient warrant of your expectation. Love seeketh out its own: God's love is just His delight to impart Himself and His blessedness to His children. Oh, do trust Him fully!

COMMENTS FROM THE MAIL

FROM MINNESOTA:

"What a joy it is to be able to study the Scriptures under your guidance, Pastor Stadsklev! It makes these difficult days so much easier to handle, to see and understand God's plan for us! It is such a joy and comfort to me that we don't have to be so ignorant as to what is taking place. I also pray daily that God will reveal this "Identity" message and the "National" Message to President Reagan! May God bless and keep you in His care always!"

FROM OKLAHOMA:

"We are so grateful for all the blessings from God. He is so good to us in so many little ways. And helping us to find you and your ministry is the best thing that has happened in many a year. There just are not words to say how much we appreciate your tapes and how much we are learning."
