

In Commemoration . . .

. . . of this historic independent effort we have prepared a memento just for you. A National Unity Campaign pin which you can wear proudly. A symbol of your commitment and concern: a souvenir of one of the momentous moments in American political history.

Your campaign pin will be sent to you as soon as your contribution as a Charter Member has been received and entered in the records of the National Unity Campaign.

Although we try to eliminate duplication, it is not always possible to prevent your receiving more than one letter. If you receive an extra copy of this letter, please pass it along to a friend.
