

THIS IS THE HOUSE
THAT "JACK" BUILT!

"Take heed and beware of covetousness....JESUS

JACK= Money, The Green Stuff, Wampum, Dough, Moolah, FRN's etc.

Want to know what GOD thinks of money? Look at the people He gives it to.

Money is honey, my little sonny, & a rich man's joke is always funny.

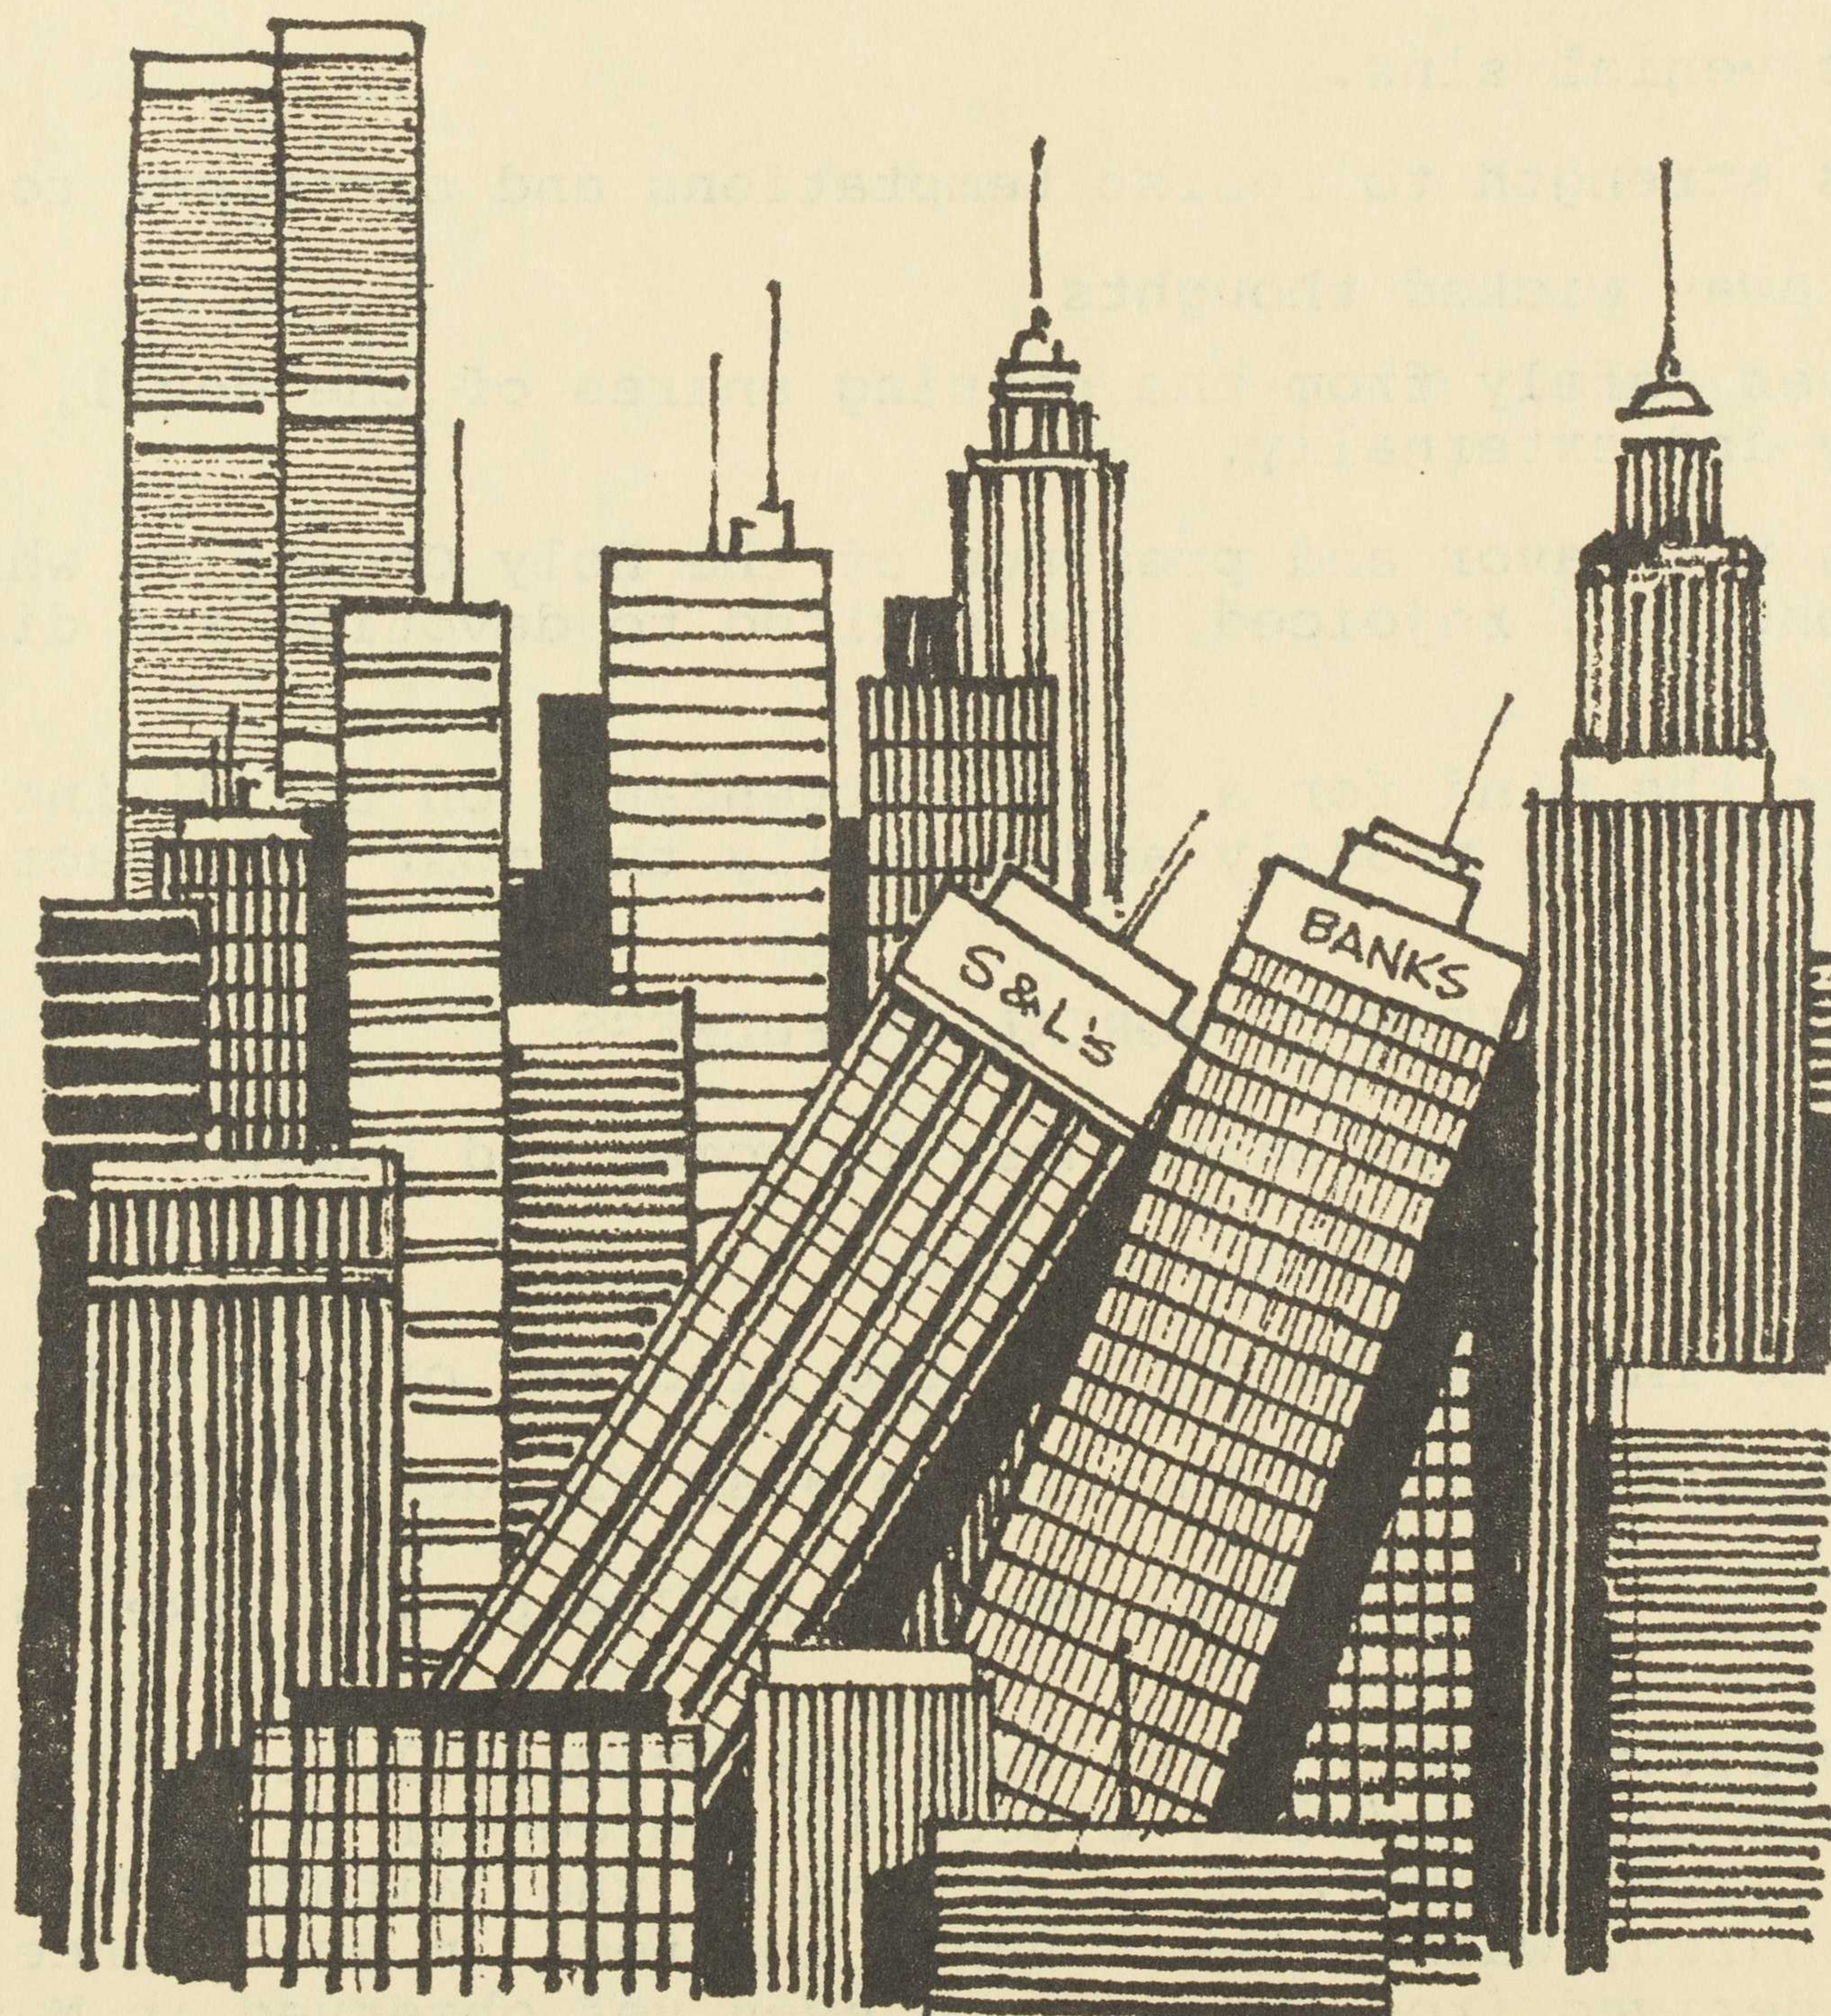

Muck and money go together.... Money makes dogs dance!

When it's a question of money, every body is of the same religion.

Public money is like holy water, every body helps himself to it!

Money has no smell, the covetous stink!

"Thou shalt not covet..." ...MOSES

Well, there goes the neighborhood.
