HIKE

EDELWEISS

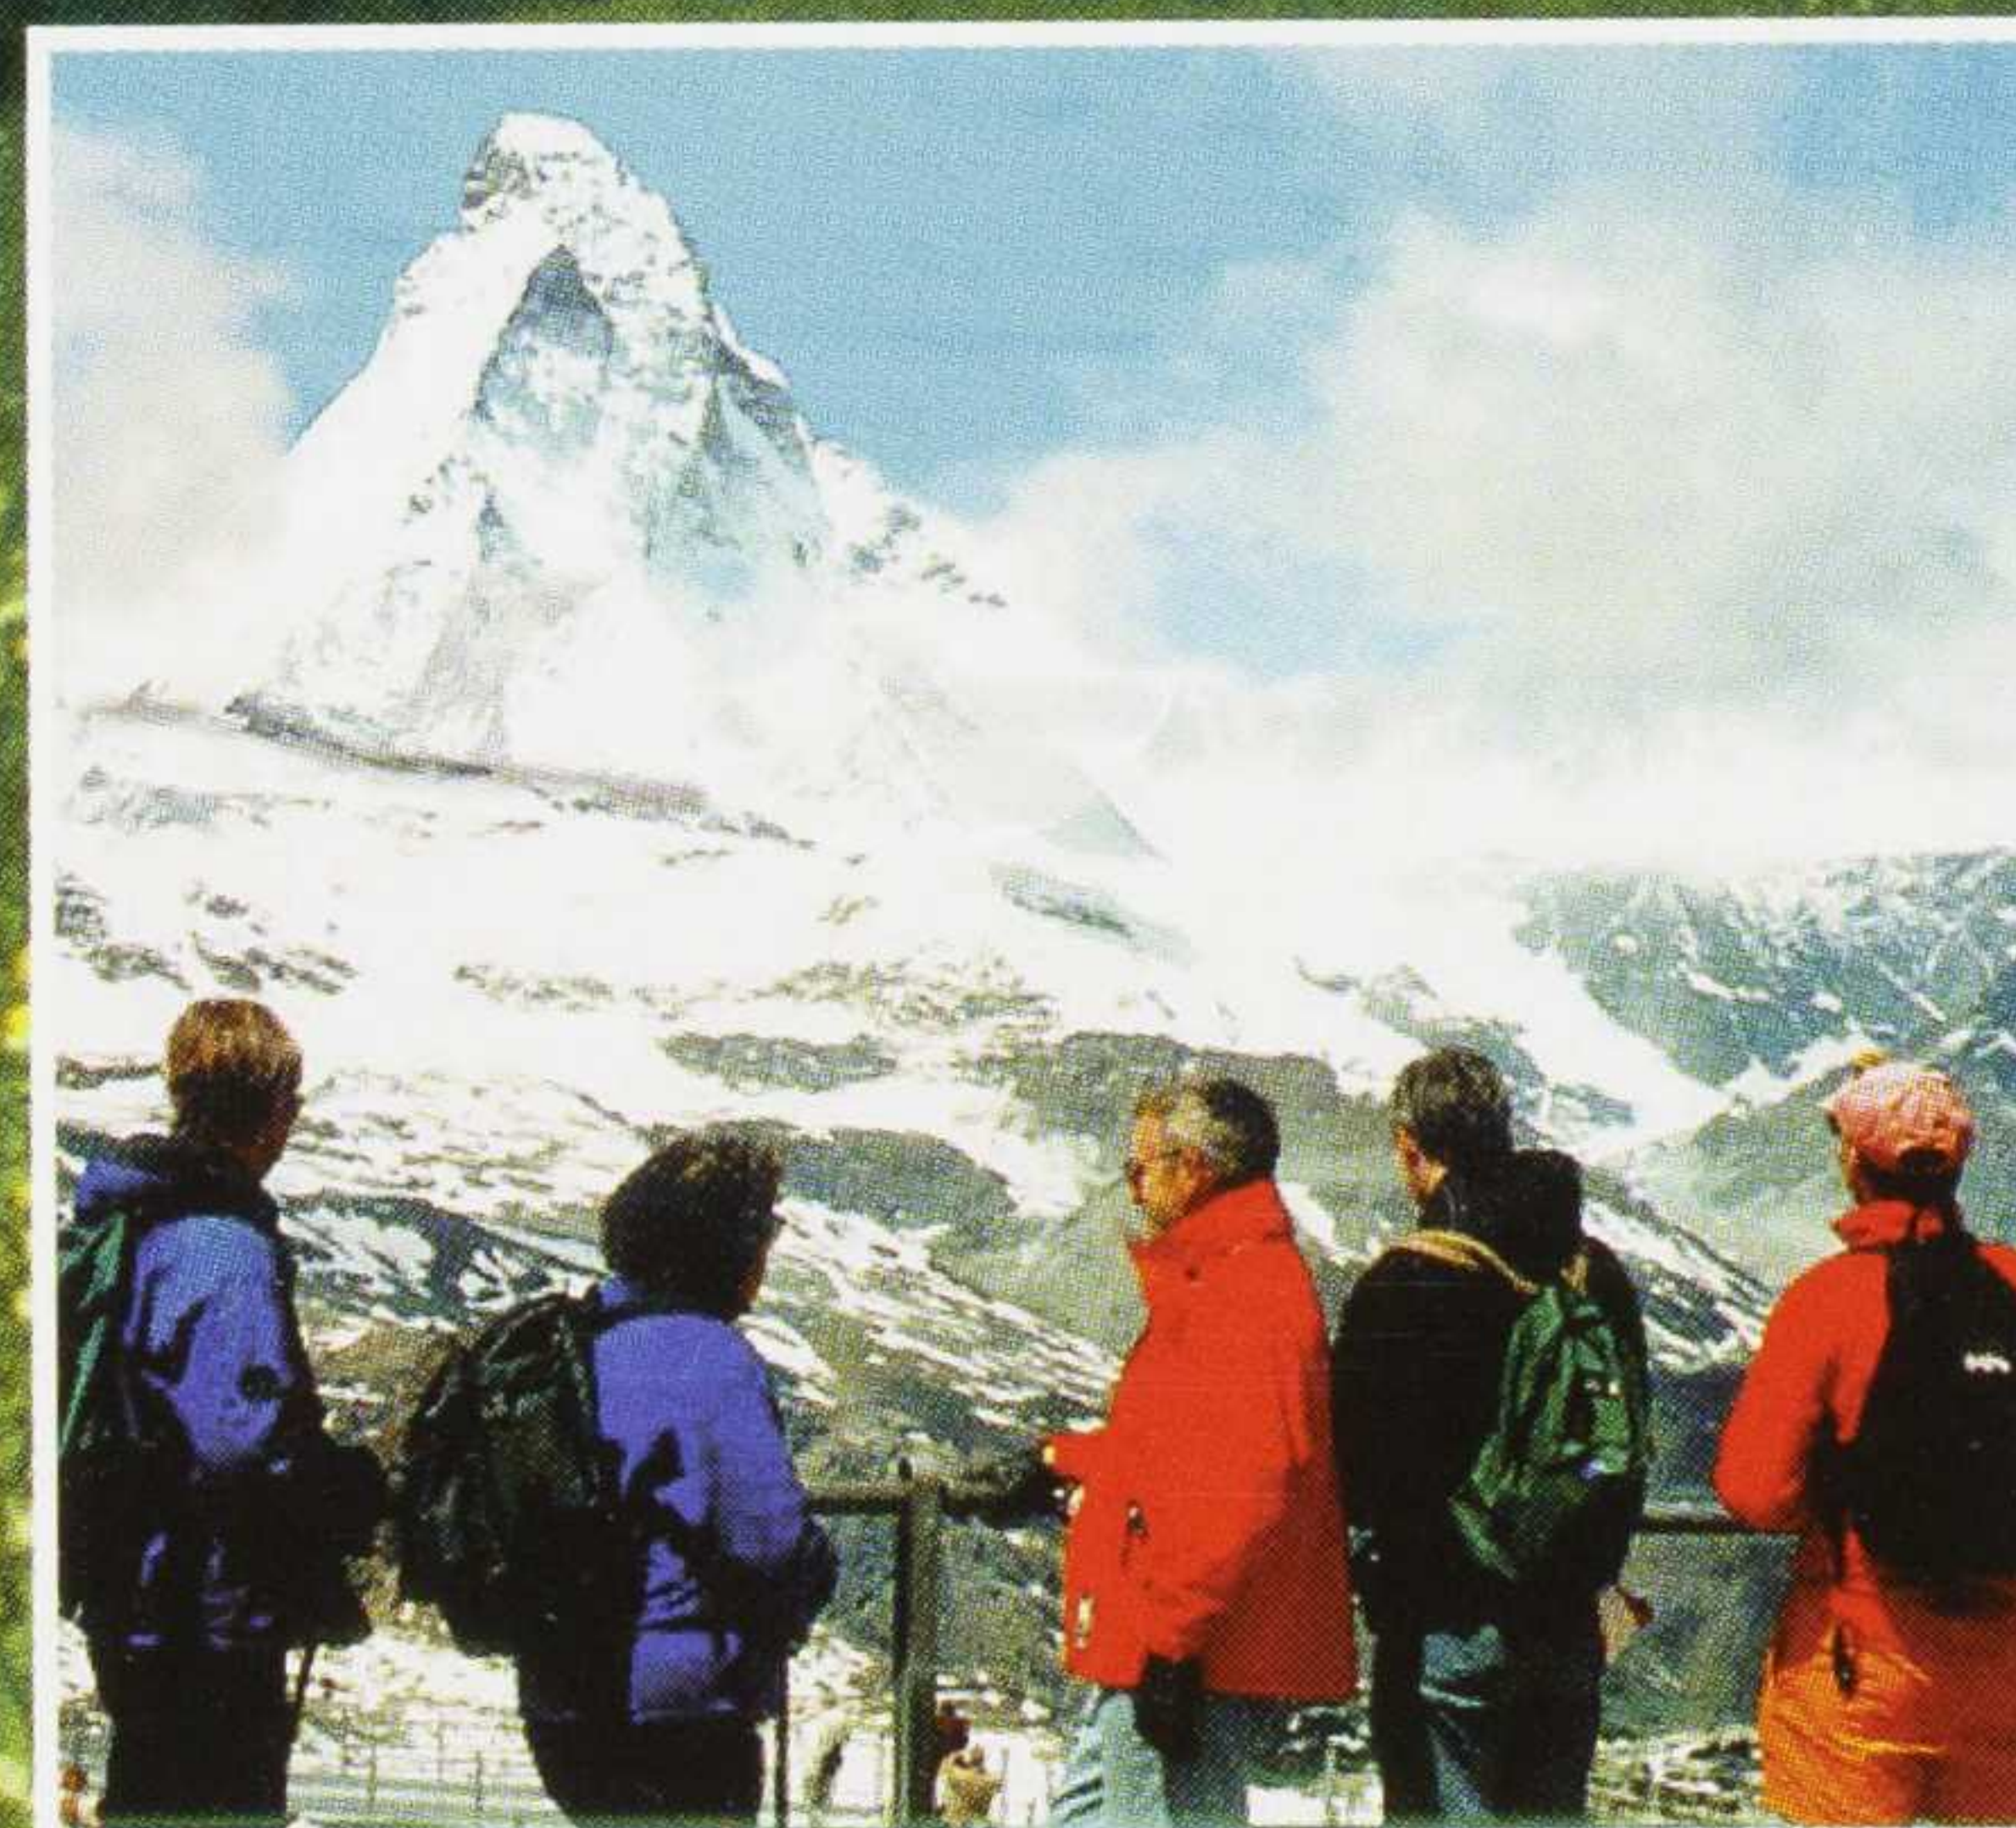

A world of wildflowers, waterfalls, and glaciers

Our hiking week is based in the alpine village of Zermatt, nestled below Switzerland's soaring Matterhorn. Hiking is the national pastime for the Swiss. The Zermatt area boasts 388 spectacular kilometers of well-marked trails.

Ten minutes from your door, hike through an alpine meadow sprinkled with wildflowers. Stop for soup and strudel in a tiny mountain hamlet. Another day, ride up Europe's highest train to a glacier.

You can also enjoy tennis, paragliding, mountain biking, horseback riding, wildlife walks, and even summer skiing.

And finally, reward yourself with an apfelkuchen at the end of the day.

Price includes:

7 nights lodging in a comfortable apartment with kitchen and living room;
Opening-night reception, orientation, and buffet dinner;
Mid-week dinner party;
Breakfast and mountain picnic on our first hiking day;
Cablecar ride to the top of Klein Matterhorn;
A wine-tasting, featuring regional specialties;
Closing-night dinner at a superb local restaurant.

Not included: Transportation to and from Zermatt (easily accessible via excellent public transportation).
