

CONNECTING OUR WORLD

*A technological and cultural exchange
for the advancement of
communication and global solutions*

United Nations • Habitat II

Dimensions Foundation • 1996

The E.A.R.T.H. II Tour will travel to
20+ world capitals in conjunction with

World Food Day

to support sustainable
food nutrition agreements
and economics. Earth II will work with
the World Food Day organization
to provide a special supplement to the
World Food Day Teleconference
on October 16.

We are seeking organizations who want
to communicate through the Internet.
