

The following night she came with her daughter.

When the prayer line was formed the little mother got into the line, and finally stood before me. As I looked at the woman, it seemed my heart would break with compassion. I could feel her heavy burden and knew what she was going through.

I prayed for her in full faith of the victory that was won at Calvary. When that victory was applied to her specific case, **THE DEMON DEPARTED! GOD SET HER FREE INSTANTLY!** That very night she was delivered from the suicide demon, saved, and filled with the Spirit!

The following night she returned to the campaign, shouting the victory! I gave the happy woman the privilege to testify under the tent, and here is what she said, "All day long I have been singing a song, a real song of deliverance! For over a year now the devil has been telling me that I'd never sing or be happy again, **BUT I AM THE HAPPIEST WOMAN IN THE WORLD!** God has set me free from a horrible suicide demon and has bound up my broken heart. He has given me beauty for ashes, the garment of praise for the spirit of heaviness; the oil of joy for mourning!

"Last night was the first night in over a year that I was able to go to bed and actually sleep without drugs. I slept all night as soundly and as peacefully as a child. The awful suicide demon that so many times has almost made me take my life, **IS GONE!** Last night and all through the day, for the first time in over a year, I have been free from his compelling force. To God be all praise! This is the first time in over a year that I actually want to live, but now I have something to live for!"

No doubt it was this same spirit (or a similar one) that compelled Judas to tie the rope around his neck and then leap, hanging himself.

The suicide demon seems to especially seek out and prey on people who are sick, diseased, afflicted, deformed, unhappy or without funds.

Should you at this moment be tormented by such a demon spirit, **DO NOT LET THIS DEMON SPIRIT DESTROY YOUR LIFE!** Christ is interested in your case because He is interested in **YOU!** Read God's special promises to **YOU** found in Isaiah 61:1-3, "**He hath sent me to BIND UP THE BROKEN HEARTED, to proclaim liberty to the captives, and the opening of the prison to them that are bound. To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness.**"

Why sit there in the ash heap of discouragement, bound by the spirit of heaviness and mourning? Christ stands near enough to you this very moment to make the exchange He promised! Beauty for ashes! Joy for mourning! A shout of victory and praise for that spirit of heaviness! It is yours! Rise to your feet! Square your shoulders! Step up on the promises of God, say, "Satan, you're a liar! You cannot do this horrible thing to me. I'm **NOT** going to die; I'm going to **LIVE!**"

If you seemingly cannot get victory alone, and have no one to pray for you where you live, write me, requesting special prayer, and be sure to follow the instructions in writing me that you will find in the next chapter. Read all the next chapter **BEFORE** you write. It will give you instruction how to be free, if you are bound by any kind of demon powers.
