Above is a view of a confused mind. It is common among income taxpayers.

My mind is not confused, I pay no income tax.

ATTEMPT AT OPPRESSION AND EXTORTION

A WARNING AND NOTICE TO ALL OFFICERS, AGENTS AND EMPLOYEES OF THE INTERNAL REVENUE SERVICE, OR ANY GOVERNMENT EMPLOYEE, ATTORNEYS, CERTIFIED PUBLIC ACCOUNTANTS AND OTHERS ENGAGED IN ADVISING INCOME TAX PAYERS AND MISLEADING THEM IN PREPARING INCOME TAX FORMS. CONSTITUTIONAL RIGHTS ARE SUPERIOR TO ADMINISTRATIVE LAW, RULES AND REGULATIONS. NOBODY, NOT EVEN THE PRESIDENT, CAN MISLEAD CITIZENS INTO BELIEVING THAT IT IS A NECESSARY FUNCTION OF GOVERNMENT TO COLLECT REVENUE TO REDEEM WORTHLESS FEDERAL RESERVE NOTES.

The Constitution, in Art. 1, sec, 10, cl. 1 reads: "No State shall enter into any treaty, alliance, or confederation:..." coin money, emit bills of credit, make anything but gold and silver coin a tender in payment of debts;..."

The above denies the State from making anything but gold and silver a payment for debts. Our forefathers were unable at the time the Constitution was written to foretell that we would become involved because Congress would some day sell us out to the Federal Reserve Banks and allow them to do that which the Constitution forbids the States from doing.

Art. 1, sec. 8, cl. 5 reads: "Congress shall have power to coin money, regulate the value thereof and of foreign coin, fix the standard of weights and measures;"

Those who wrote the Constitution in Convention knew what money was and they knew what bills of credit, (obligations) were. Federal reserve notes are bills of credit (obligation) or promises to pay money.

The Constitution was changed Dec. 23, 1913, at 4:00 P.M. The Constitution was not changed or amended as laid down in Art. V and VII. The Constitution was changed because our Constitutional money system was changed.

Congress did pass on the above date a number of laws. They may be found in 12 U.S.C. 411, 420, 444 and 531. Let us examine law 411, which reads: Federal reserve notes to be issued at the discretion of the Board of Governors of the Federal Reserve System..." "The said notes shall be obligations of the United States and shall be redeemable by all National and member banks and Federal Reserve Banks and for all taxes, customs and other public dues." "They shall be redeemed in lawful money on demand..." (Dec. 23, 1913)

Porth has done two things: he has simplified the filing of a 1040 form and made it economical. Since nobody has to pay everybody should at least file.
