

My kith & kin,

Thank you for supporting 14 WORD PRESS! I have been continuing the fight for the survival of our folk by penning examples of Natural Law, exposing the real powers behind governments and religions and demanding that we all face hard reality.

With a 190 year sentence in these ZOG dungeons and having only been here 10 years, the struggle is far from over. Earning just 17¢ an hour I am unable to support my wife and five children from here. All the work done at 14 WORD PRESS is volunteer, and it survives solely by your generous and appreciated donations.

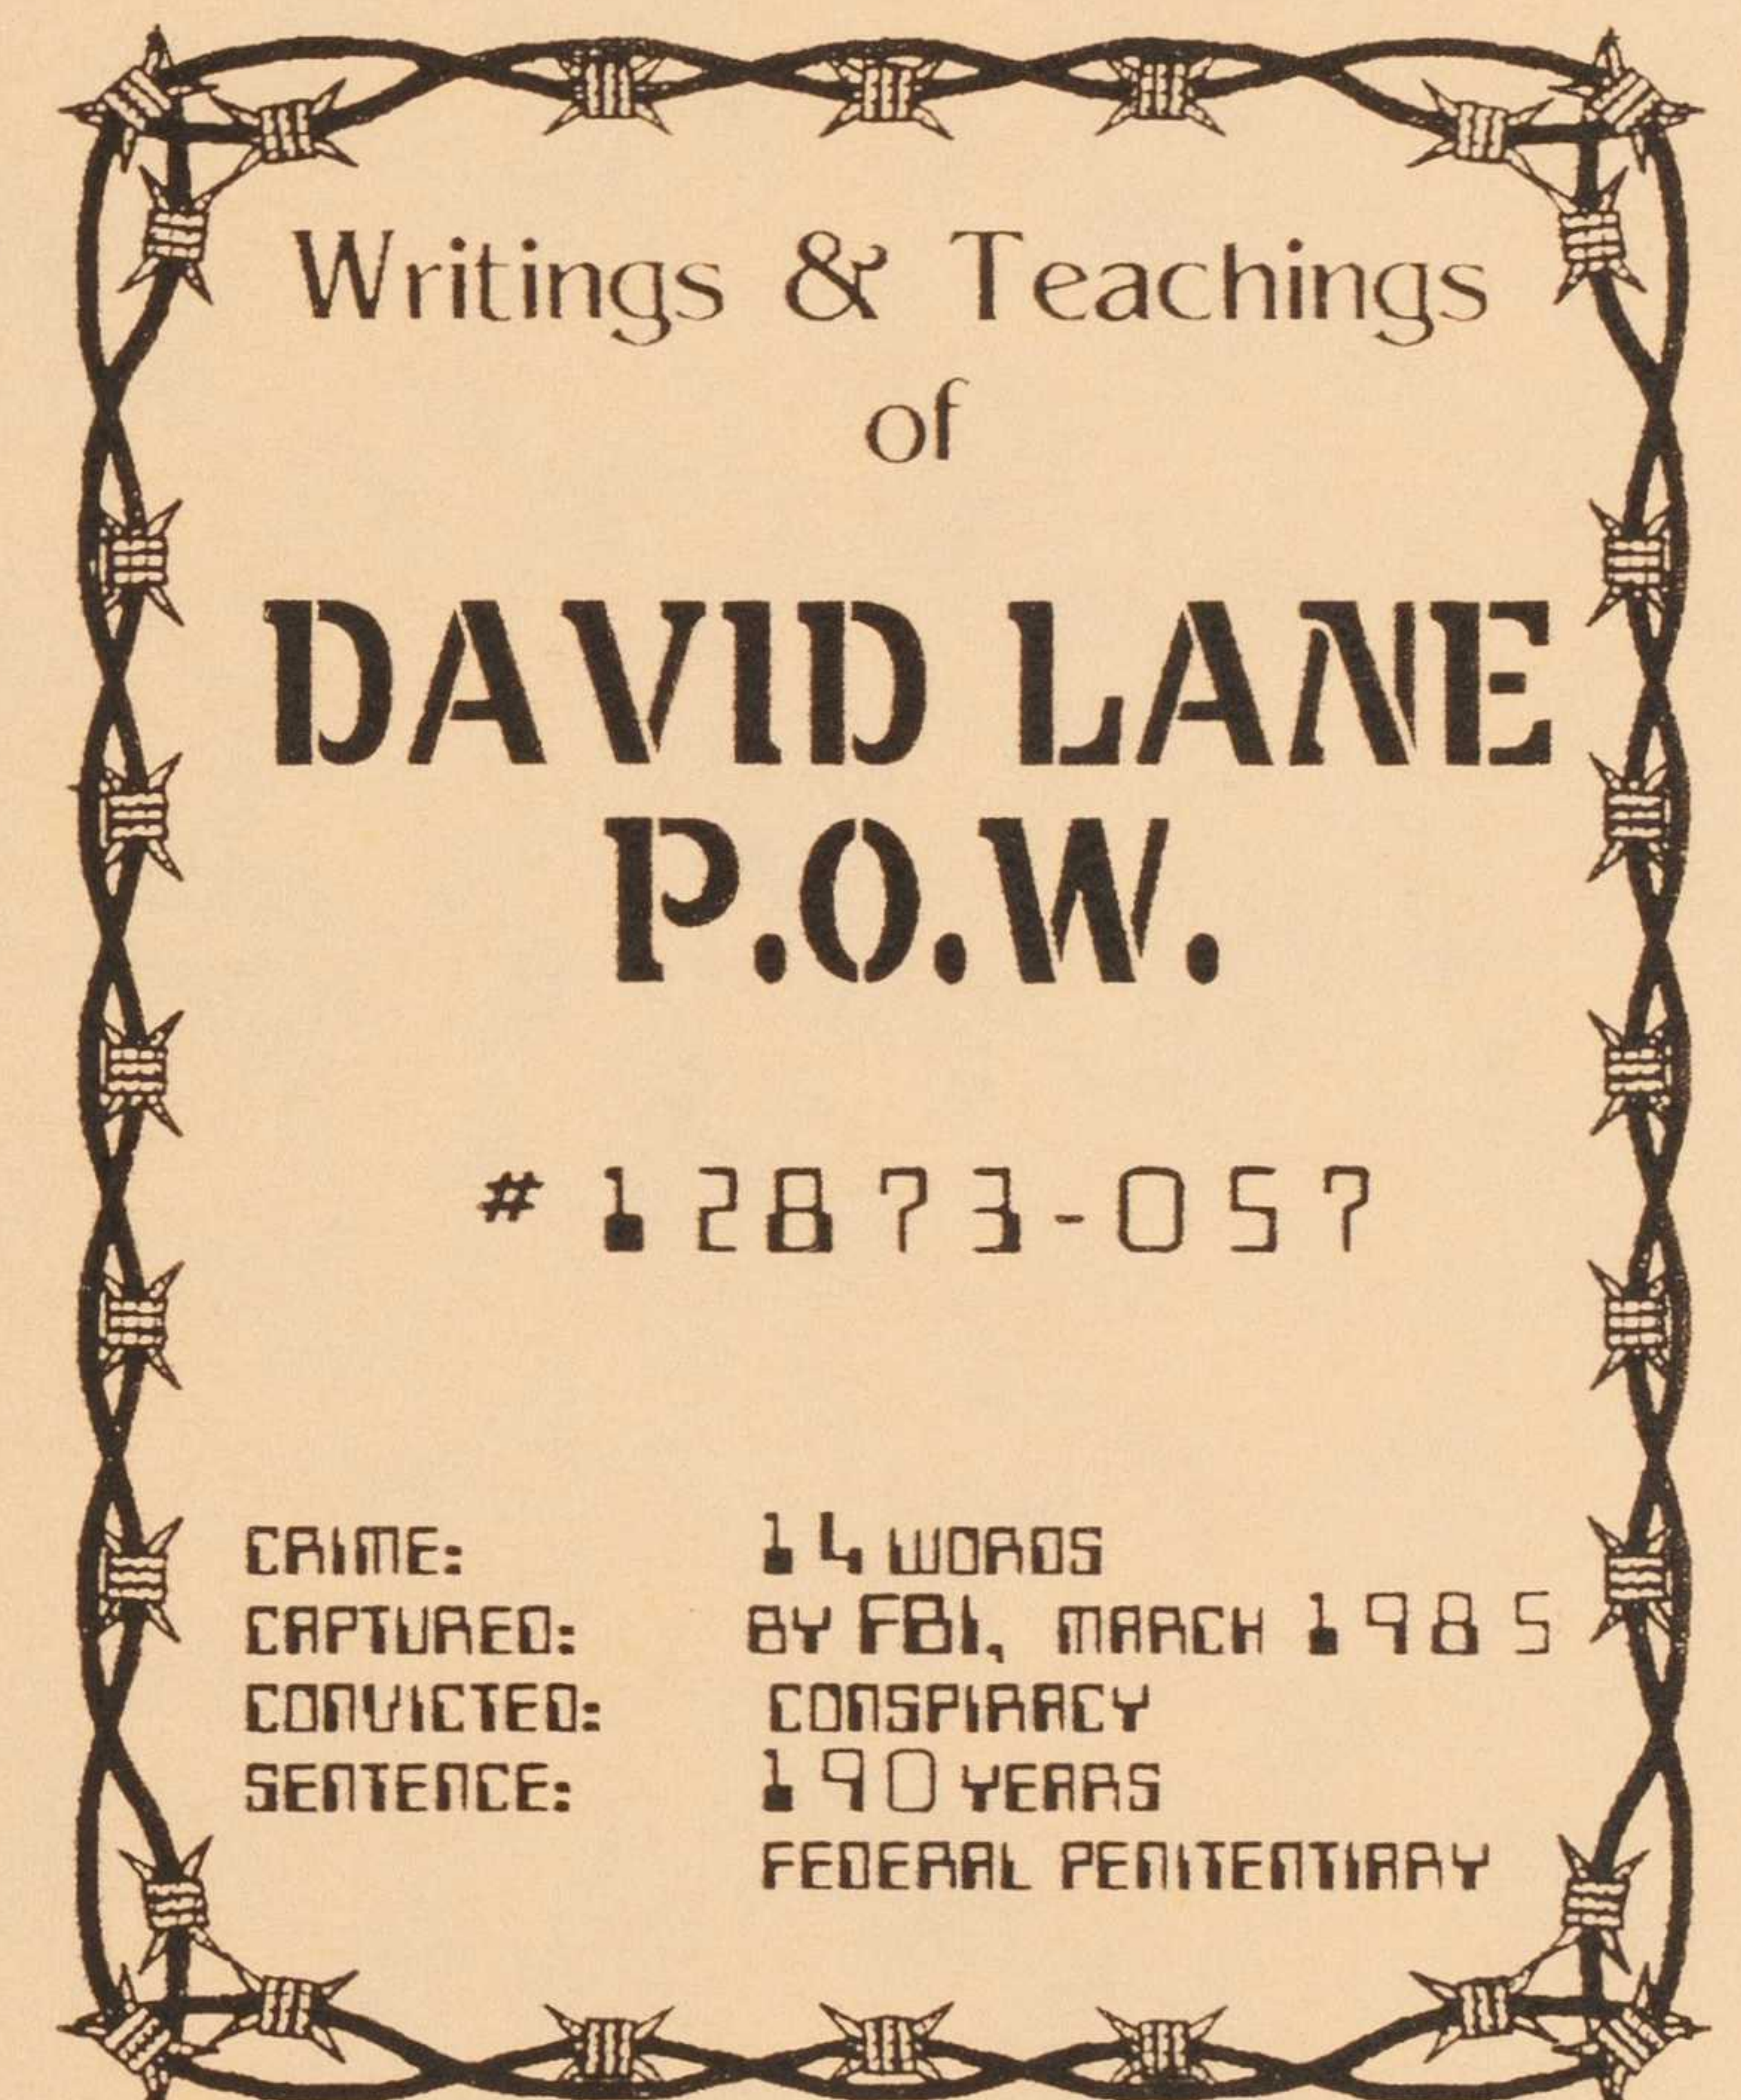

14 WORD PRESS is in existence for the dual purpose of helping my family and making "14 WORDS" the raison d'être and battlecry for the remaining White world: "We must secure the existence of our people and a future for White Children."
