12:00 - 1:30 pm
FREE the MOVE 19!
FREE Mumia Abu Jamal!
FREE all Political Prisoners!

Black people...

are a nation behind bars!

The relationship of African people to prison in the U.S. is one of terror and intimidation. It is one of colonialism. Our people have always been victimized by prison in this country and the victimization is growing sharper every day.

Sponsored by the **Uhuru Movement**,
the **African National Prison**
Organization and the **African**
People's Solidarity Committee.
