

CLOBBERING CHRISTIANS

"If they persecute me, they will also persecute you."

John 15:20

The red trail of martyrdom runs through all history. Jesus was in that succession of martyrs, for the trail is deeply marked in the story of his life.

But the trail does not cease at the crucifixion.

When we deal with Jesus Christ and his followers we find JERUSALEM allying itself with ROME in her effort to crush this Teacher of Righteousness. Finally ROME took matters into her own hands devoting her whole energy to the extermination of what one of her historians described as -- a pestilent superstition.

My heart and mind recoils with horror to think 'persecution' has and is happening here, now in AMERICA. Land of refuge for the oppressed.

What is being persecuted? Apostolic Christianity? Or culture Christianity? Who is persecuting? Here is 'ultimate' evil!

JERUSALEM & ROME...Ecclesiastical & Political persecuting power. It has always been so; with the STATE finally becoming absolute.

Jesus did not say---'Make converts to your way of thinking, but look after My sheep; (Israel, of course). See they get nourished in the knowledge of me.' Of course; AMERICA is the land of CHRISTIAN-ISRAEL.

Feed My sheep; tend My lambs; guard My flock. "Son of man prophesy against the shepherds of Israel, prophesy and say unto them, Thus saith the Lord GOD unto the shepherds; Woe be to the shepherds of Israel that do feed themselves!" Ezek 32:2

Have preachers used people? Exploited them to selfish advantage?
