Mr. John Wilson

Thank you for your note. I had no idea someone was publishing my address from Naples Florida....

Under separate cover you will be recieving a number of back copies of our KINGDOM TREASURE...Trust you will enjoy them.

We are placing~~ing~~ you on our monthly mailout.

Also, If you would like to hear our sermon tapes....will be glad to put you on the mailout list.

We send out our material on the free-will-offering plan from our readers and listeners. A lot of time is spent in research and we like to think our material is filled with good things for our Christian American public....

Blessing,

George

Please note the first page from this book. It should indeed make you very curious to learn of the Kingdom message.
