

NEED A JOB?

ACORN is a community organization of low and moderate income people. ACORN knows that:

** This summer Copley Place will be hiring 900 people. They are beginning to hire now! This is only part of the total 5,000 jobs that will be opening up in the next 2 years.

** The Federal Government awarded over \$18 million of taxpayer's money for this Project. In return, there was a promise by the City and Copley Place that 25%, or 1260, of the total 5000 jobs would go to CMTA eligible (meaning low income) Boston residents.

Come to the Meeting and find out how

we can Win these Jobs for Low Income People!
