

HOLocaust ?

Six Million JEW Lies!

This idea that "SIX MILLION JEWS", were killed by the Germans in WW II is the Biggest, Blackest Lie in History. Other than a few PROFESSIONAL CONCENTRATION CAMP SURVIVORS, such as SIMON WIESENTHAL, or SERGE KLARSFELD who have made a career out of persecuting the survivors of THE REAL HOLOCAUST; the COMMUNIST HOLOCAUST of East and West European Christians---there is NO PROOF such a so-called JEWISH "HOLOCAUST" ever took place at all.

However, there is a great deal of contradictory evidence written by the Jews, which when calmly examined, reveals itself to be masterful, emotional, PROPAGANDA, whose purpose is designed to BLEED, BLACKMAIL, EXTORT, or TERRORIZE the enemies of ORGANIZED WORLD JEWRY into silence or subservience to ZIONISM and to COMMUNISM..

Yes, the "HOLOCAUST", is a handy way for the Jews to make money and at the same time INTIMIDATE their enemies or anyone critical of the Jews or of ISRAEL. For example, since 1952, WEST GERMANY has paid out over \$20 BILLION DOLLARS to alleged "SURVIVORS OF THE HOLOCAUST", living in ISRAEL. This money is paid out based on the faulty assumption, that this is how much wealth the "SURVIVORS" would have made had there been No "HOLOCAUST"!

Now let us examine some of the absurd figures the Jews cite as proof of their "HOLOCAUST". In 1951 a book entitled DOCTOR AT AUSCHWITZ was published. The book is still in print. In this book, the author, DR. MIKLOS NYISZLI, a Jew, claimed to have witnessed the gassing of Jews at the rate of 25,000 A DAY!

He further claimed this had been going on for 4½ years! Very well, let us see what this means : 365 days x 4.5 years = 1,642 days x 25,000 Jews gassed each day = 41,000,000 JEWS just in AUSCHWITZ! And yet the WORLD ALMANAC for 1948 according to figures supplied by the AMERICAN JEWISH COMMITTEE for 1939, states there were only 8,939,608 Jews in all of EUROPE.

In 1967, Professor RAUL HILBERG, of the University of Connecticut wrote a book entitled, THE DESTRUCTION OF EUROPEAN JEWRY. This book too is still in print. In his book, Hilberg claimed that from March of 1942 to the Autumn of 1943, JEWS were being exterminated at TREBLINKA and in SOBIDOR at the rate of 25,000 and 20,000 A DAY, respectively.

That comes to 18 months or simply 540 days. Now using the same math formula, we find that no less than 13,500,000 JEWS were gassed in TREBLINKA, while 10,800,000 JEWS were croaked in SOBIDOR. Now at what time did Germany have time to fight a war when there were all these JEWS to gas?

Obviously, the "HOLOCAUST", is so much KOSHER BOLONGA. And the Jews intend to keep feeding us all this bolonga, for one reason: it's GOOD BUSINESS for the JEWS and their beloved bandit state of ISRAEL.
