

ings to those you enroll in the Association.

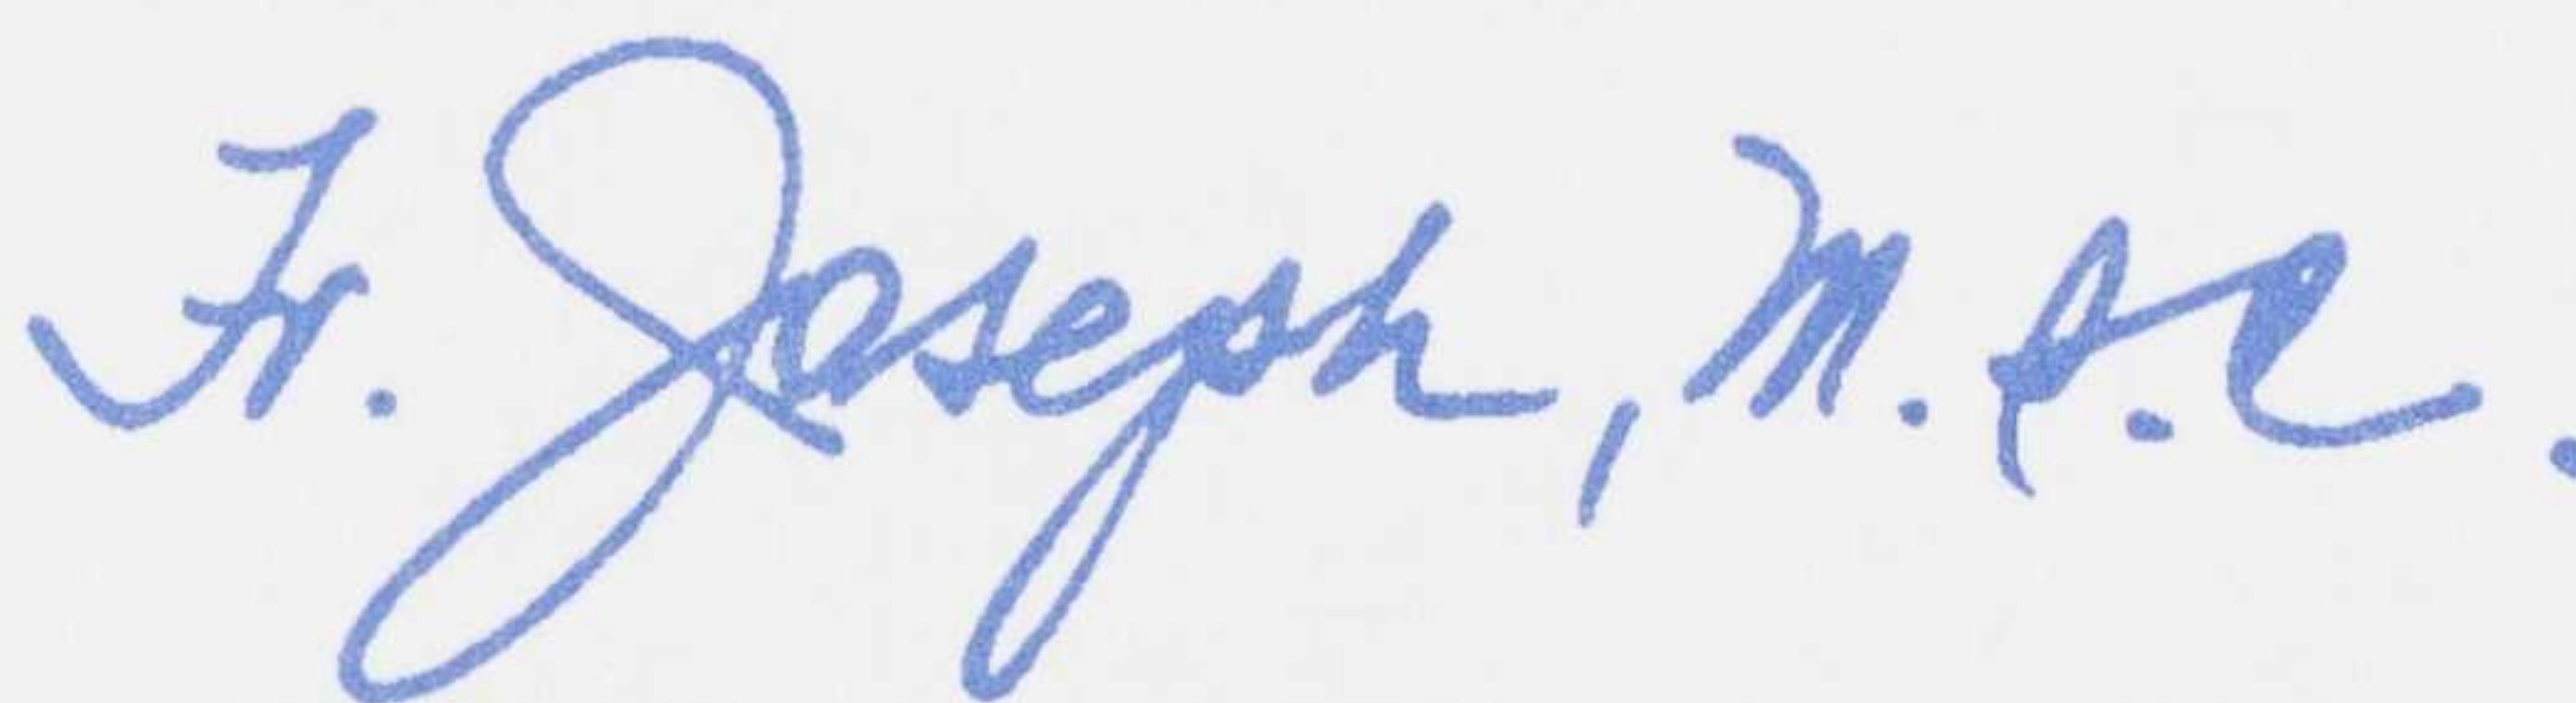

I've enclosed two of our most popular Enrollment Cards for you to use when the time arises. (If you do not have a need for these cards, please pass them along to a friend.) The certificate on the inside of each card includes a list of the many Spiritual Benefits of enrollment.

After you send the Enrollment Cards, please send me the name of the person enrolled on the Enrollment Form enclosed, along with any offering you wish to give. Suggested offerings for enrollments are only \$3.00 for a one-year enrollment, \$5.00 for a two-year enrollment, and \$10 for a five-year enrollment, but offerings of any amount are gratefully received.

Offerings for enrollments help provide the basic necessities of food, clothing, and shelter for Marian priests and brothers stationed all over the world. They also help us minister in parishes, educate men for the religious life, serve in remote mission areas, rebuild the Church in Eastern Europe, maintain our National Shrine of The Divine Mercy, support our toll-free Prayer Line, and so much more.

If you would like us to immediately pray for your loved ones and friends, please call our Prayer Line at 1-800-804-3823. Please keep me and all my fellow Marian priests and brothers in your prayers.

May the grace and peace of our Merciful Savior and the love of the Blessed Mother Mary be always with you!

A handwritten signature in blue ink that reads "Fr. Joseph, M.I.C." with a stylized flourish at the end.

Fr. Joseph, MIC
Director

P.S. Please consider sending an additional offering of just \$1.00 for our Publishing Apostolate when you return your enrollment information. This will help us in our mission to print and distribute Spiritual Bouquets and other religious and inspirational materials to people around the world.
