

ignorant of what their founding fathers believed.

I am hoping and praying that you will be filled with the same enthusiasm that I am.

Together we will be uncovering the truth for God and for America.

I realize the hard work ahead...the months of tracking down volumes educators and school systems have obliterated systematically from curriculum simply because they were considered old-fashioned.

But, I am constantly reminded of God's scripture:

("I can do all things through Christ, who strengtheneth me." Philippians 4:13)

That's why I know you will not let me down because you, too, want to do what is right.

You want to serve God to whatever end so that America is right in God's eyes.

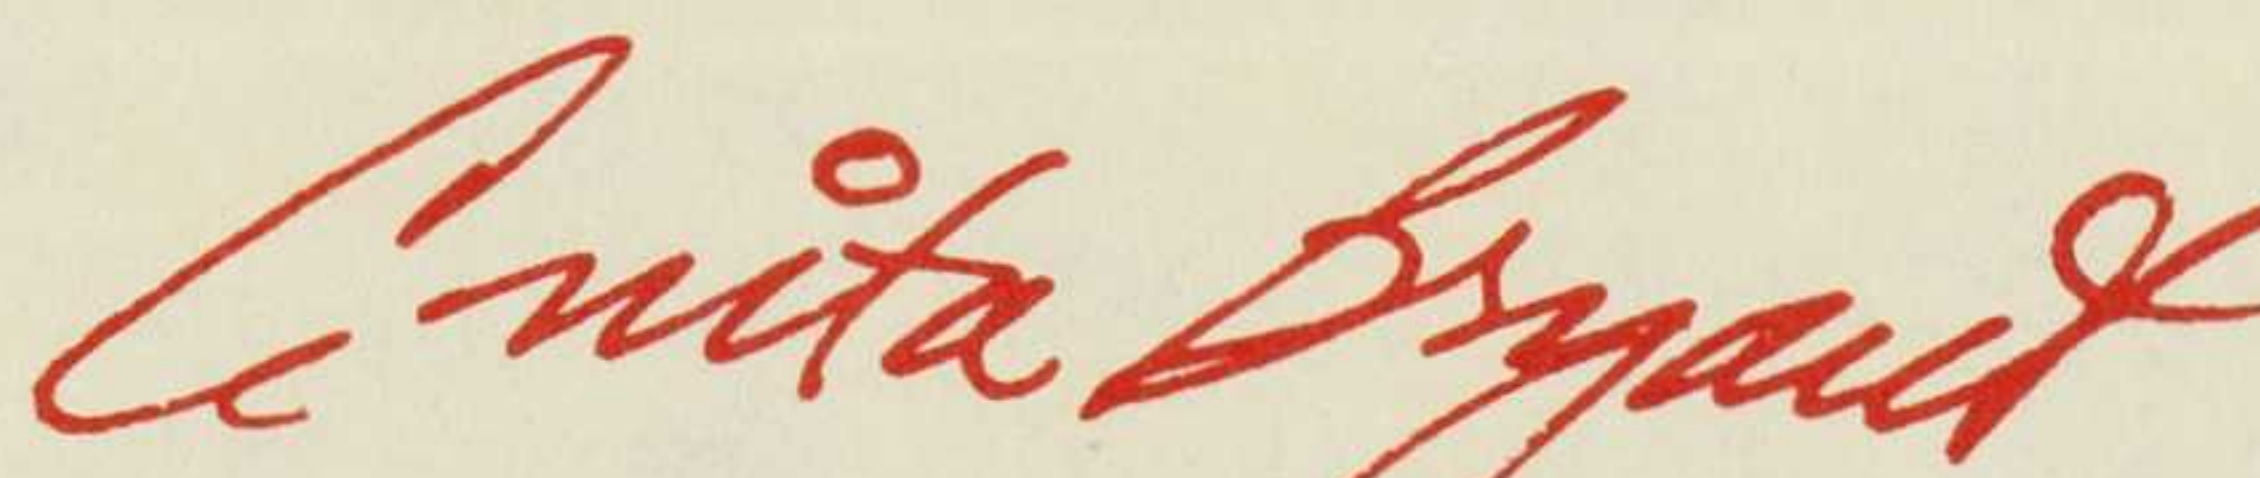

Please, sit down, right this minute, and write out your check to Anita Bryant Ministries for \$10, \$25, \$15, \$100 or whatever you can spare.

And remember with your gift you are reviving our American Christian heritage and you are giving our children the truth.

With this truth about God and how America was founded on God-given principles, we can win over the rampaging evil in our cities.

May God bless you now and forever.

In His Service,

Anita Bryant
