

Try as it may, this world cannot get rid of Jesus of Nazareth!

This world cannot bury our LORD out of sight, out of mind! This earth is not deep enough for His tomb, and the clouds not near enough for a winding sheet! He ascended into the heavens---But the heavens cannot contain Him. He is Governor among the Nations! King of Kings, LORD of Lords!

This great blue marble called earth, strewn like a grain of sand on the shores of the universe is but a place for His feet, His "footstool." Ye that dwell upon this earth, what will you do with this Jesus who is called the Christ?

If you want to know what God has to say to you, see what Christ was and is...and, "Hear ye Him!"

Jesus' life, death and resurrection are the noblest, most fruitful studies we humans can ever take up. No other subjects can claim an equal interest, because the powers of eternity lie within Him.

Let us be done with lesser things!

Understand once and for all, that the might of Christianity lies not in a hazy indefiniteness, nor a shadowy form---But IN CHRIST, HIS CROSS AND CROWN!

He makes 'religion' spiritual; instead of ceremonial and external.

There is but ONE Saviour crucified, that ONE is Jesus of Nazareth! And all the gathered power of the Infinite God of Israel is manifest in Him...Know this above all: Christ was not a deified man, neither was He a humanized God. He was perfectly God and at the same time perfectly man. Jesus Christ's humanity is the great hem of His garment, through which we can touch His Godhead.

Any preacher "worth his salt" will tell you this thing: That the PERSON of Jesus Christ, the wonder miracle worker of the Gospel story is the most fascinating and compelling question that human thought has ever faced up to.

Christ was a complete man, said Augustine. "Never man spake like this man." The orator of the universe is Jesus!

Prophets pronounce it, four Gospels unfold it...See Him; in the days of His flesh, teaching and preaching. Its all written down in His-Story...And, they say HE WAS THE GREAT "I AM" JEHOVAH...GOD OF ISRAEL ENHUMANATED!

The Gospels present a man without flaw in His mind, nor spot on His character. So perfect is His life one has truly said: "if the life and death of Socrates are those of a sage, then after reading the four Gospels we can only believe the life and death of Jesus are those of God."

The Name of Jesus is not so much written as plowed into the history of the world.

The Cross and Crown of Jesus Christ! There centers our hopes, there die our fears, there fall our sins, there gushes our repentance, there beams the light of blessed assurance of sin forgiven upon our tears.
