

LIFE INSURANCE AND ANNUITIES FROM THE BUYER'S POINT OF VIEW

Table of contents - abridged

- I. The Insurance Principle. Shared mortality risk spreads losses.
- II. Types of Life Insurance Policies. Term and straight life policies. Single premium whole life, minimum deposit whole life, graded-premium, "vanishing" premium, and universal life policies.
- III. Life Insurance Tax Considerations. Policies receive favorable tax treatment that may change. Minimum deposit insurance now more costly! Tax benefits of single premium whole life restricted? Policy loans.
- IV. Life Insurance Settlement Options. Objectives and alternatives. Lump-sum payment permits investment of benefit.
- V. Estimating Insurance Requirements. How much insurance do you need? 1988 worksheets. Estimates of Social Security survivors' benefits.
- VI. How to Compare Costs. Calculating and using interest-adjusted indexes. Surrender-cost index and net-payment cost index.
- VII. Ranking Companies by Costs. Rank life and term policies by cost, your needs. Rank whole life, term, and single premium whole life policies.
- VIII. Universal Cost Ranges. Mortality charges, expenses reduce value of universal life policies.
- IX. Special Sources of Insurance. Noncommercial companies, special organizations may offer best buys. Use caution.
- X. Miscellaneous Suggestions for the Buyer. Dealing with sales agents. Scheduling premium payments. Evaluating special provisions.
- XI. The Life Insurance Policy. What the contract must detail. Policy loans. Lapsed policies can be valuable.
- XII. Planning for Retirement Income. Plan ahead for the unreliable dollar.
- XIII. Dollar Sources of Retirement Income. Social Security. Pension plans. Personal retirement plans. Savings and investments. Annuities
- XIV. Annuity Fundamentals. Assured income for life. Immediate, deferred, fixed, and variable annuities. Straight life, cash refund, and stipulated-payment payout options.
- XV. Dollar Annuities. Immediate annuities. Company rankings by return. Tax treatment, with example. Deferred annuities. Latest tax changes.
- XVI. Swiss Franc Annuities. Why the Swiss franc? Immediate and deferred annuities. Swiss companies and brokers. U.S. tax treatment.
- XVII. Gold Distribution Plans. Why gold for income? Do-it-yourself and commercially available plans.
