TAXPAYER'S PETITION TO THE U.S. HOUSE OF REPRESENTATIVES

Dear Congressman:

Congress is a disgrace. Members of Congress have lived like kings and queens at taxpayer expense and have nearly bankrupted the country with extravagant spending. Recent scandals involving \$25 million in over 22,000 bad personal checks cashed by members of Congress through the House Bank, reported cocaine dealing at the House Post Office, pay raises at night, and lavish lifestyles are just the latest examples of how corrupt Congress has become.

I urge you in the strongest possible terms to show me that you are not part of the problem on Capitol Hill by pledging your full support for the Six Point Plan of AMERICANS TO LIMIT CONGRESSIONAL TERMS to clean up Congress. We must:

1. Limit House members to a maximum of six years in office and Senators to a maximum of 12 years in office.
2. Eliminate Congress' free-mail privilege, which allows each Congressman to bombard voters with letters and campaign-style fliers, worth up to \$500,000 in free (taxpayer paid) advertising for each election.
3. Abolish all of Congress's special perks and privileges.
4. Require Congress to abide by the same laws Congress passes for the rest of us.
5. Outlaw Congress from soliciting and accepting bribes from Big Corporations and Big Labor Unions that Congressmen use for their re-election or personal use.
6. Eliminate the automatic yearly pay raise Congress gave its members, and require Congress to take a public "roll-call" vote when Congress wants a pay raise.

I will be watching closely to see how strong your commitment is to these reforms.

Sincerely,
