PREFACE: ABOUT THE NEW EDITION

CHAPTER ONE: BIRTH CONTROL IN HARMONY WITH NATURE

Introducing natural methods, both old and new.

CHAPTER TWO: OVULATION SIGNS AND FERTILITY AWARENESS

A teacher of natural birth control describes mucus, temperature, and other signs and symptoms of the fertile time.

CHAPTER THREE: LUNAR FERTILITY CYCLES

A Czech doctor rediscovers the moon. How lunar cycles can affect fertility.

CHAPTER FOUR: LUNACEPTION

You can regulate your menstrual cycles with darkness and light.

CHAPTER FIVE: DO OUR MINDS CONTROL CONCEPTION?

Evidence that conception can be controlled by the mind alone; some women relate personal experiences.

CHAPTER SIX: HYPNOCONTRACEPTION

New scientific research finds that hypnotic contraception increases sexual pleasure and eliminates entirely the need for abstinence. Detailed report.

CHAPTER SEVEN: MALE BIRTH CONTROL AND FERTILE TIME TOGETHERNESS

Answers for teens. Also, dispelling the "macho" myth with simple, sensitive methods of natural birth control for men.

CHAPTER EIGHT: CHILDREN OF THE NEW AGE

New age communities offer free maternity care. Conscious conception. Co-family sleeping. Masturbation, symptom of loneliness? Physical affection reduces violence. Marriage in the new age. The magical child.
