

We would like to thank those of you who have supported us either financially or with a word of encouragement, or most importantly, with your prayer in the past month. Since we are beginning a new endeavor, your support is more important to us than ever. Please remember us in the coming month, and let us hear from you. We so enjoy getting your letters, and though it is very difficult to respond to all, they mean more to us than we can say.

We need your help on several things. First, we are asking those of you who are willing to commit to pray for us on a regular basis to let us know so that we can notify you when a special concern arises. Second, we are asking those of you who are willing to commit to regular support of our ministry to let us know so that we can correspond with you as well.

We hope that our last request will not be bothersome to you, but we really NEED to know if you are interested in receiving our newsletter or not. We operate on a very limited budget, and do not want to waste our funds by sending out a newsletter that is not read. PLEASE just drop us a note if you wish to hear from us on a monthly basis. If we do not hear from you within 3 months, we will assume that you are not interested in hearing from us, and will drop your name from our active mailing list. We will 'purge' our list several times a year to keep it manageable. We appreciate your help! God bless you!
