Are you receiving too much mail from the Family Research Council (FRC)?

We understand that many of you were originally referred to FRC through friends already receiving our materials. While we hope that you enjoy our monthly updates and find both Gary's letter and *Washington Watch* useful to your efforts, we understand that multiple publications from the same organization can sometimes lead to information overload. We want to be good stewards of our mailing dime, but we want to be even better stewards of our relationship with people like you who sacrifice time and precious finances to support our work.

Won't you take a moment to help us improve our service to you by answering the following questions with a simple check-mark? (Please note that while we do hope you will respond, no financial gift is necessary to continue on our mailing list.)

Do you want to continue receiving Gary's monthly letter and *Washington Watch*?

☐ Both ☐ Gary's Letter Only ☐ Watch Only

Are there any FRC publications, other than the above, that you'd like to discontinue? (*Citizen* is not an FRC publication.)

☐ Yes ☐ No

If yes, which one(s)
