

SUMMER VIDEO SERIES

We will be gathering informally several times this summer to watch movies and videos on Central American issues, with discussions to follow each viewing. This is a good chance for some education as well as an opportunity to get to know each other. All are welcome to attend. Schedule and location have yet not been set, so if you're interested call Robert at 646-8967.

MORE MONEY MATTERS

Much of our fundraising is specifically directed toward projects. Occasionally we need to raise money to support our basic operating expenses, such as printing and mailing the newsletter, purchasing permits for some activities, and maintaining a post office box. Your continuing support for these expenses allows us to concentrate our fundraising on material aid efforts. A self-addressed envelope is enclosed for your contribution. Thanks.
