

August 23, 1982

Dear Subscriber:

A few weeks ago we wrote to ask you for your help in sending THE AMERICAN SENTINEL to college students across the country.

With the 1982 Congressional Elections coming up shortly, many young students will be voting for the first time. The liberals are already at work. On the college campus, many students will be converted by the first political group to approach them -- usually something like the Young Democrats or the Young Socialist Alliance.

You can do something to help combat Teddy Kennedy and the left on campus. You can help send "THE AMERICAN SENTINEL" to colleges throughout the USA.

As we mentioned in our original letter, there are 1095 colleges whose AMERICAN SENTINEL subscriptions expire this fall. We don't want to have to drop any of them-- in fact, we want to add at least 100 more college subscriptions, so that 1195 colleges will receive THE AMERICAN SENTINEL.

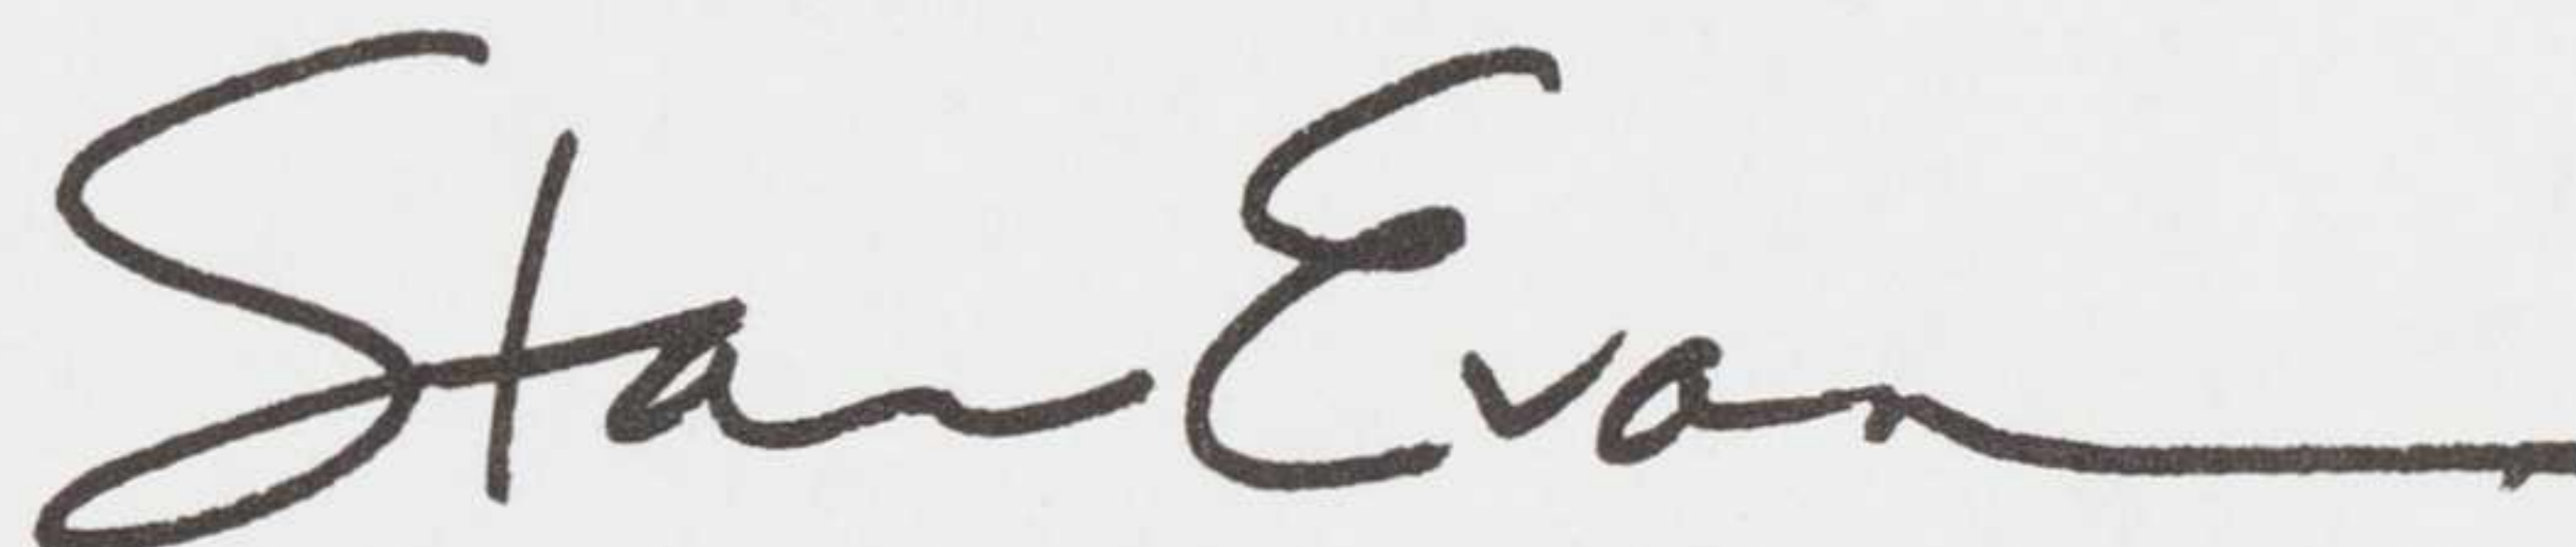

Your help now can make the difference in the future outlook of thousands of college students. THE AMERICAN SENTINEL can bring these students clear, concise conservative and anti-communist information to combat the "liberal line."

If you haven't already let us know, won't you let us hear from you now? You can help by sending a check today to help pay for these gift subscriptions to colleges. Will you send a check for \$500, \$250, \$50, \$25, or \$15? I'm really counting on hearing from you, so please use the form below and the reply envelope I've enclosed with this issue.

Now, as I write this letter to you, we are over the half-way mark. With your help, we can make our goal. Will you help put us "over the top" of our goal to send at least 1195 AMERICAN SENTINEL college subscriptions?

Please let me know as soon as possible if I can count on your help. Thank you.

Sincerely,

M. Stanton Evans, Editor

P.S. If you personally know colleges that especially need THE AMERICAN SENTINEL tell me right away and I'll use your contribution toward their subscriptions.
