Dear AIM:

I have a four-pager issued by AIM under the title of "The State Of New Haven." I wish to pass it along but I first want to determine if another copy is available. I'd like too, to see a copy of Modern Times mentioned in the small box on the back page. If the price isn't prohibitive (I'm a college student with a low cash flow at the moment) I believe I'd like to subscribe. This is not a letter-for-publication but do indeed let me hear from you.
