WHO IS THE 2nd BEAST OF REVELATION 13?

Get your Bible out and read these scriptures. If the USSR is the 1st BEAST of Rev. 13, then the 2nd BEAST described in Rev. 13:11-18 would have to be, *at first glance*, Communist China. And I would suspect that its 2 horns were Mao Tse-tung and Chou En-lai, its two top founding leaders. These two men are dead now, but Communist China is very much alive and growing economically and militarily more menacing every day. Today the "former" Soviet Union is transferring many top technological weapons to China under the pretext that it needs the money due to its dire economic condition. When it comes to manpower, overpopulated China can field more soldiers than any other nation on earth. Certainly China has had an impact on the 3rd World nations by exporting Communism to them, but so have Cuba, Vietnam, Korea, and even Nicaragua. Each country of the world is to make itself over in the image of the 1st BEAST (referring to the *Soviet Union* with 7 Heads and 10 Horns) — to make its government system like the Soviet Union's Communist system. By the way, if you think the power behind Communism is dead in the former USSR, think again. The 1st BEAST has merely "put on a new face." Cuba, China, N. Korea, and Vietnam haven't bothered yet to reform their outward appearance. Now that the United States, a former great nuclear power with technological superiority, has disarmed in the last few years, the Soviet Union and its satellite countries are counting the days before they push to take over the rest of the world. No longer is Uncle Sam there to stand in the way of the BEAST's great military might.
