

God even said don't give me your bruised or used stuff. Abundantly give Him your first and best, not your seconds or even worse. This is not a second-hand God, but the God who created heaven and earth and blew His very breath into your nose and made you a living soul. Give me the firsts...

"Honor the Lord with the first fruits of all thine increase:
So shall thy barns be filled with plenty, and thy presses
shall burst out with new wine." (Proverbs 3:9 & 10).

If you are unable to go out on the firing line into all the cities of America and the large, medium and small towns of the other continents as we do, if you want God's blessings, do not hinder His work. Give abundantly.

Because we have committed our lives to serving Him and to going into the darkest places of the world (all of them), many of our people are working jobs to support our work. They know the Bible as well as the people who are out in the gospel field. They should be set loose, and they can be if you will give your tithes and offerings into the house of the Lord, as God has commanded you to. For every soul that has been won in this ministry, the reward will be yours also with us. Don't wait, and please don't make us ask every month for a tithe and an offering from you. Faithfully do that which God has commanded, and give tithes and offerings to this great outreach.

I've won souls in Israel, and one of them is so happy that he has given us a three story building there to fix up and stay in one year... rent free. In every continent, we need places to meet. We need places for our printing presses. We need printing presses. We need housing for these people, a place to cook meals for them and feed them. We need clothing for them, Bibles and supplies of every kind. If we can count on your help for this, we can devote all of our time to soul-winning and tending to soul-winning. Also, this will loose all of our workers who are working to help pay for this outreach. It will loose them to go out and do what we are doing. They have many years of experience in evangelizing people in every walk of life.

We have available a 50-pound pack of response letters and other information regarding this mighty work of God. We are in desperate need because the souls are being reaped, and we need the facilities now. Even the sinner knows it's the end time. This is the dispensation of time the Lord has given us--let's spend our time that God has allotted us to help the unfortunate. God is a giving God, not a taking God. He gave His only begotten Son that we could have eternal life and life more abundant here. Christ gave His life and His blood. Christ gave thanks, broke the bread and the fishes and gave to the disciples, then the disciples gave unto the multitudes. The people of God are givers, so give, and if you do it cheerfully... ("But this I say, he which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully. Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver." II Corinthians 9:6 & 7.) God says, inasmuch as ye do it to one of the least of these, ye do it to me. (Matthew 25:40). Yes, we feel the poor, suffering and needy humanity is the Lord, and when we see these souls being saved and that they too are willing and zealous to read the Bible and follow in the steps of Jesus, it breaks our hearts when the funds are not available to provide them even a gathering place to where they may worship and praise the Lord and learn of Him.
