November-
January-February
1985-86 \$9.00

William F. Buckley responds to the Project review of his Saving the Queen? Denies he was accusing Queen of "Treason to the West". Is Buckley less an Anglophile Bonesman than Catholic Knight of Malta?

Prince of Wales (Prince Charles) versus the American Constitution. Collaboration of National Taxpayers Union. Push for British-style non-"constitution". Pat Robertson pushes British-Israel interpretation of East-West conflict in-line with Establishment nuclear terror propaganda. The Court Intellectuals vs. Lady Diana. Post-war power of the Queen. A Jungian World Brain. The role of Jungian psychology in the conspiracy. Inner and outer organs of the Crown. Prince Charles "studies" Jungian psychology. Anima, Shadow, and Persona.

US News and World Report exposes "English Language" Imperialism! Prince Charles distances Crown from Thatcher Government.

Some Inner Organs of the Crown: Review of The Brotherhood; Secret World of Freemasons; Review of Meyer Lansky: Mogul of the Mob; Review of A History of British Intelligence, and Review of Royal Web an extremely important inside look at the secret power of Royalty. Introduction by current Prince of Hesse. Researched with the co-operation of Queen Elizabeth II

March 1986 \$3.00

The Royal Family as the Hegemonic Investor in a Finite (World) Market. Royal Web: Toward a theory of covert Royal power. Royal rivalry behind WWI and WWII. The failed "Cobers Plan" to make Germany a Constitutional Monarchy on the British Model (Subservient to the Empire of the City).

The Oligarchical Corporate "Olympus". The financial-corporate nexus of power surrounding the Royal Family. Prince Charles awards Winston Churchill Award to Ross Perot, adds Electronic Data Systems to portfolio. Review of The Great Rapprochement: England and the United States 1895-1914. Establishment version of America's slide into tyranny under British supervision.

May-June 1985 \$3.00

Beginning of chapter review of Knuth's Empire of the City--the best short source-book on the Project thesis. America's entry into WWI as prima facie evidence of conspiracy. America not her own master. The Crown, Pilgrim Society, Round Table Conspiracy, Rhodes/Milner, and Empire of the City. Knuth's version vs. Quigley's. Role of the Fabian Society, Anglo-Saxon Racism, White Man's Burden, The Round Table and the advent of today's muted, but much more pervasive form of British Imperialism: Neo-British Empire. The "Apostles" and "Coefficients" at the apex of the "High Cabal". Geopolitics and the background of war...one war if the Empire is destroyed; a series if it is victorious...

Catholic William F. Buckley, Jr.'s Saving the Queen. Secret story of Queen Elizabeth II's betrayal of nuclear secrets to the Soviets? Post WWII "treason to the West" plot by Crown to "balance" East and West... defeat post WWII Vatican-Washington anti-communist alliance. Review of Wechsberg's Merchant Bankers: The Secret Fraternity. The Queen and the "City." Secret of the symbol of the Council on Foreign Relations: A naked man riding an ass. The role of the myth of the anti-Christ in the Crown's propaganda. "Red Influences Around Britain's Queen" by Hilary Grey. Connections of Queen, Prince Philip, Hahn's frankly designed to create a "Guardian Class" to rule the world...Face of Satan etched in Canadian dollar bill above Queen's ear?

June-July 1985 \$3.00

Review of Antony Sutton's research on the Yale senior society "Skull and Bones" or "The Order". Connection to Averell Harriman's merchant bank: Brown Brothers Harriman. Brown Brothers as a prime agent for the Crown and "City" in America since colonial times. Special help received from the Bank of England in the Panic of 1836. English branch Brown Shipley as the training ground for Montagu Norman. Review of Carroll Quigley's Evolution of Civilization. Introduction reveals Quigley's Irish-Catholic, anti-British credentials--put him in a tradition of anti-British conspiracy theorists. Richard Landkammer's letters to William Buckley questioning nature of "Bones" membership and possible involvement of Bones and Buckley in Kennedy Assassination.

Ultimate origin of the "Conspiracy to Rule the World", a review of Francis Yates The Occult Philosophy in the Elizabethan Age. King Henry VIII's secret agent sent to Venice for advice on rationalizing divorce to the Pope based on Jewish "cabalistic" interpretation of the Bible. Tip of the growing iceberg of conspiracy between the Jews-British Oligarchy? Queen Elizabeth I's astrologer John Dee, fountainhead of cabalism in Britain, inventor of cabalistic British Israel/Identify Movement as rationalization for British Imperialism. This book should have a greater impact than did Quigley's Tragedy and Hope on ruling class/conspiracy theorists.

October 1985 \$3.00

Continued review of Knuth's Empire of the City. Britain sides with "The Turk" in persecution of Christians in Eastern Europe and the Balkans. Pope launches "Holy Alliance" against liberalism, constitutional republicanism, and materialism. Meets total defeat at the hands of the British. media propaganda tool? A myth, but a potent one!

Review of J. M. Roberts' The Mythology of Secret Societies. Important work published by Warburg and sponsored by the Rockefeller Foundation on the real role secret societies have played in history. Pre-mass Speculation on role of AIDS in world conspiracy. Foretold in Bertrand Russell's Malthusian Impact of Science on Society? Church's campaign to restore sexual morality? LaRouche spreads confusion on The Occult Philosophy in the Elizabethan Age. Mystery of Post WWII routine circumcisions in America. Status of the Project. Review of There Still Are Kings. Important confirmation of Royal Conspiracy from "Crown Publishers". US News and World Report reprint exposes the "Empire of the City"!
