

FAMILY RESEARCH COUNCIL

*"Therefore be as shrewd as snakes and as innocent as doves."
Matthew 10:16 (NIV)*

This nation is slipping away from the ideals upon which America was founded. Government "of the people, by the people, for the people" sometimes seems as if it will, indeed, "perish from the earth." Too many elected and appointed officials shamelessly cast votes to spend our tax dollars for immoral purposes, then claim ignorance and run from what they have done.

All of us must work together to hold our nation's leaders accountable. To help you towards that end, FRC has produced its 1997-1998 Congressional Directory. In it, you'll find:

- * the phone, fax and room numbers for all 100 senators and 435 representatives in the U.S. Congress;
- * the membership of and telephone numbers for every Congressional committee;

- * the addresses and phone numbers of each member of the President's Cabinet; and
- * the phone numbers for the governors of all 50 states.

To order this resource, you may return this reply card or simply call 1-800-225-4008.

Also this month, FRC is offering a pamphlet giving the facts on drugs. It is designed to help parents overcome their hesitation to answer the hard questions that young people have -- and may be afraid to ask -- about drugs and the pressures to use them. FRC is again offering *Our Better Angels: The Care of Human Life*. This resource provides you with compelling arguments to help you defend the sanctity of human life.

FRC appreciates all you do to advance the principles of family, faith and freedom. FRC's work is multiplied by your prayers, activism, and financial support. God bless you in your efforts!
