

overthrew the Russian Government there was ONE Communist for every 2,277 persons in Russia. In the United States today there is one Communist for every 1,814 persons in the country." So testified J. Edgar Hoover.

The issues are drawn; the chips are down; the fiat has gone forth that World War III must come. The United States and Christian Civilization stand at the Cross-Roads; but the destiny of both is still in the hands of our own people. Let us assert our God-given rights to free speech, a free press, and our right as free men and women to defend our hard-won liberties, and our homes! Let US demand freedom from WARS, security in our persons and property, and the arrest of all JEW CRIMINALS. Let us call a halt to your land and mine being over-run by swarms of "undesirable", so-called "displaced persons" and "refugees". WRITE YOUR CONGRESSMEN AND SENATORS TODAY. Demand that they stop this "horde" of "undesirables" from over-running our Country; remind them that every foreigner entering the U. S. is a veteran's immediate rival for a job, for an apartment or a house, for a suit of clothes, for a hard-to-get automobile. Demand that they vote AGAINST the JEW-FEPC bill sponsored by JEWS to compel employers to employ JEWS and refugees under penalty of fine or imprisonment, or both; that it is another JEW scheme to control ALL businesses -- large and small.

REMEMBER that YOUR Congressman and Senators need your support and should be kept informed as to how you want them to vote on such vitally important legislation, particularly. Tell them that you are organizing the voters to back them up back home in resisting subversive pressure groups who are spending millions of dollars to compel your representatives in Congress to vote against the public interest. WRITE YOUR congressman and Senators TODAY. Don't be cast down by previous discouragements. Jesus set us an example. He went on and on persistently -- all the way to the Cross. Let us hold and maintain this as A Christian Nation -- for us and our children -- until He comes. With His help it shall be done.

And we have often exclaimed that we would die for our children. Let us prove it by saving them from the slaughter of a third and "UNNECESSARY" World War. Even the most timid and cowardly beast in the jungle will fight for its young when their lives are endangered. Shall we be less courageous now in protecting our children and our neighbors children from slaughter?

Let us stand together. The distribution of the TRUTH as revealed in my testimony before the Senate Foreign Relation Committee is one way in which we can arouse the American people to immediate action.
