

*If you think everybody out there is having sex, think again. There are lots of people ... like those of us pictured here ... who are choosing to save sex until marriage. We've chosen to wait because we want to know love to the fullest. We want to give all of ourselves to our future mates. We want to carry no baggage on our honeymoon. Sure, purity requires patience. But the best things in life are worth waiting for. And ... marriage is definitely one of life's best things.*
