Dear Friend of American Vision:

We have been friends for quite a while now, but we haven't heard from you in some time. In fact, if our records are correct, we have not heard from you in the last 12 months or more. Because we have been out of contact so long, we are assuming that you are no longer interested in remaining on our mailing list, so we have removed your name at this time.

If, however, we have misunderstood your intentions and you do want to receive our mailings then please do at least one of the following right now so you will be able to receive the next issue of the Biblical Worldview:

1. Make a contribution to American Vision of any amount. It costs us about \$15.00 per year for each name we maintain on our list, so your gift of \$15.00 or more will help cover our cost. If you enjoy and benefit from the Biblical Worldview please give as generously as you can now. Thanks.

2. Purchase any product that American Vision sells. A partial list of products is included on the back of the enclosed response form.

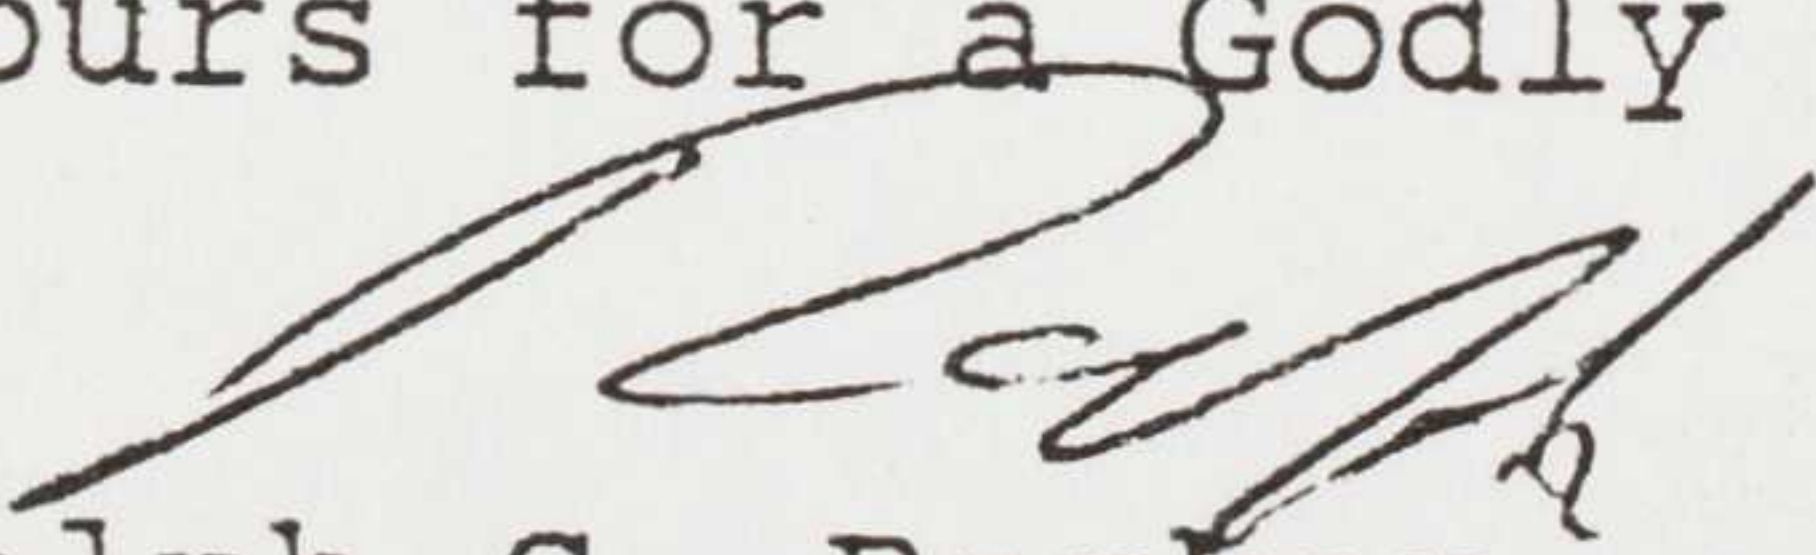

3. If you cannot help at all financially and can't purchase a product now but want to remain on the mailing list, then simply indicate that on the enclosed response form and we will extend your subscription.

Enclosed you will find a postage paid envelope and response form to help expedite your reply should you want to receive The Biblical Worldview. Don't forget the tremendous advantages of our monthly book, tape, and video offers which help keep you up-to-date on current Christian thought. Our supporters also are privy to many discounts and special offers.

Regardless of what you decide to do, we appreciate your interest, your prayers, and your friendship. May God richly bless your efforts as you fulfill your ministry in His kingdom.

Thanks again. I look forward to hearing from you soon.

Yours for a Godly nation,

Ralph C. Barker
Vice President

P.S. From the entire staff of American Vision, we wish you a most blessed Holiday season. May God bless you abundantly!
