

Only by the supernatural quickening of the Spirit can we be girded for that extraordinary effort of mind if we are to be "able to comprehend . . . and to know the love of Christ which passeth knowledge." And beyond any doubt, only by the operations and influences of the gracious Spirit may we be "filled with all the fulness of God." We are to daily seek from Him that quickening, enablement, and girding.

COMMENTS FROM THE MAIL

FROM CALIFORNIA:

"I listen to your radio broadcasts over station KFAX, San Francisco, and enjoy them very much and get so much from them.

"Enclosed are a portion of my tithes for the year. I belong to no local church or congregation. Having read and studied the Scriptures so much I have found none which preach and teach what the Scriptures actually reveal. Praise the Lord for those like Pastor Stadslev who use the Scriptures as their chart and compass. How blessed by our Lord and Savior are we all to be enabled to better see the real message of hope, which is in the Scriptures, and is relayed to us

by Pastor Stadslev, and men and women of his kind.

"I also enjoy completely the tapes and Monthly which you send. Please keep them coming."

FROM OREGON:

"Your recent tapes about the Kingdom and what it will be like are a joy and encouragement. With the world so full of wickedness it is hard to remain clearheaded and believing God's promises. Thank you for your faithful preaching. Our love and continued prayers that God will expand your ministry."

FROM NORTH CAROLINA:

"We are getting a tremendous blessing from your Monthly and we dearly love your sermons on the tapes. The sad part is that we have missed so much all of these years. And the grand part is that God gave you all to us before it was too late. May He add His blessings to all of you precious folks out there each and every day."

FROM MASSACHUSETTS:

"I always look forward to reading AMERICA'S HOPE Monthly because I always receive new understanding from the Scriptures."
