

Thoughtful and comprehensive analyses of various forms of sexual oppression ... from World View Publishers

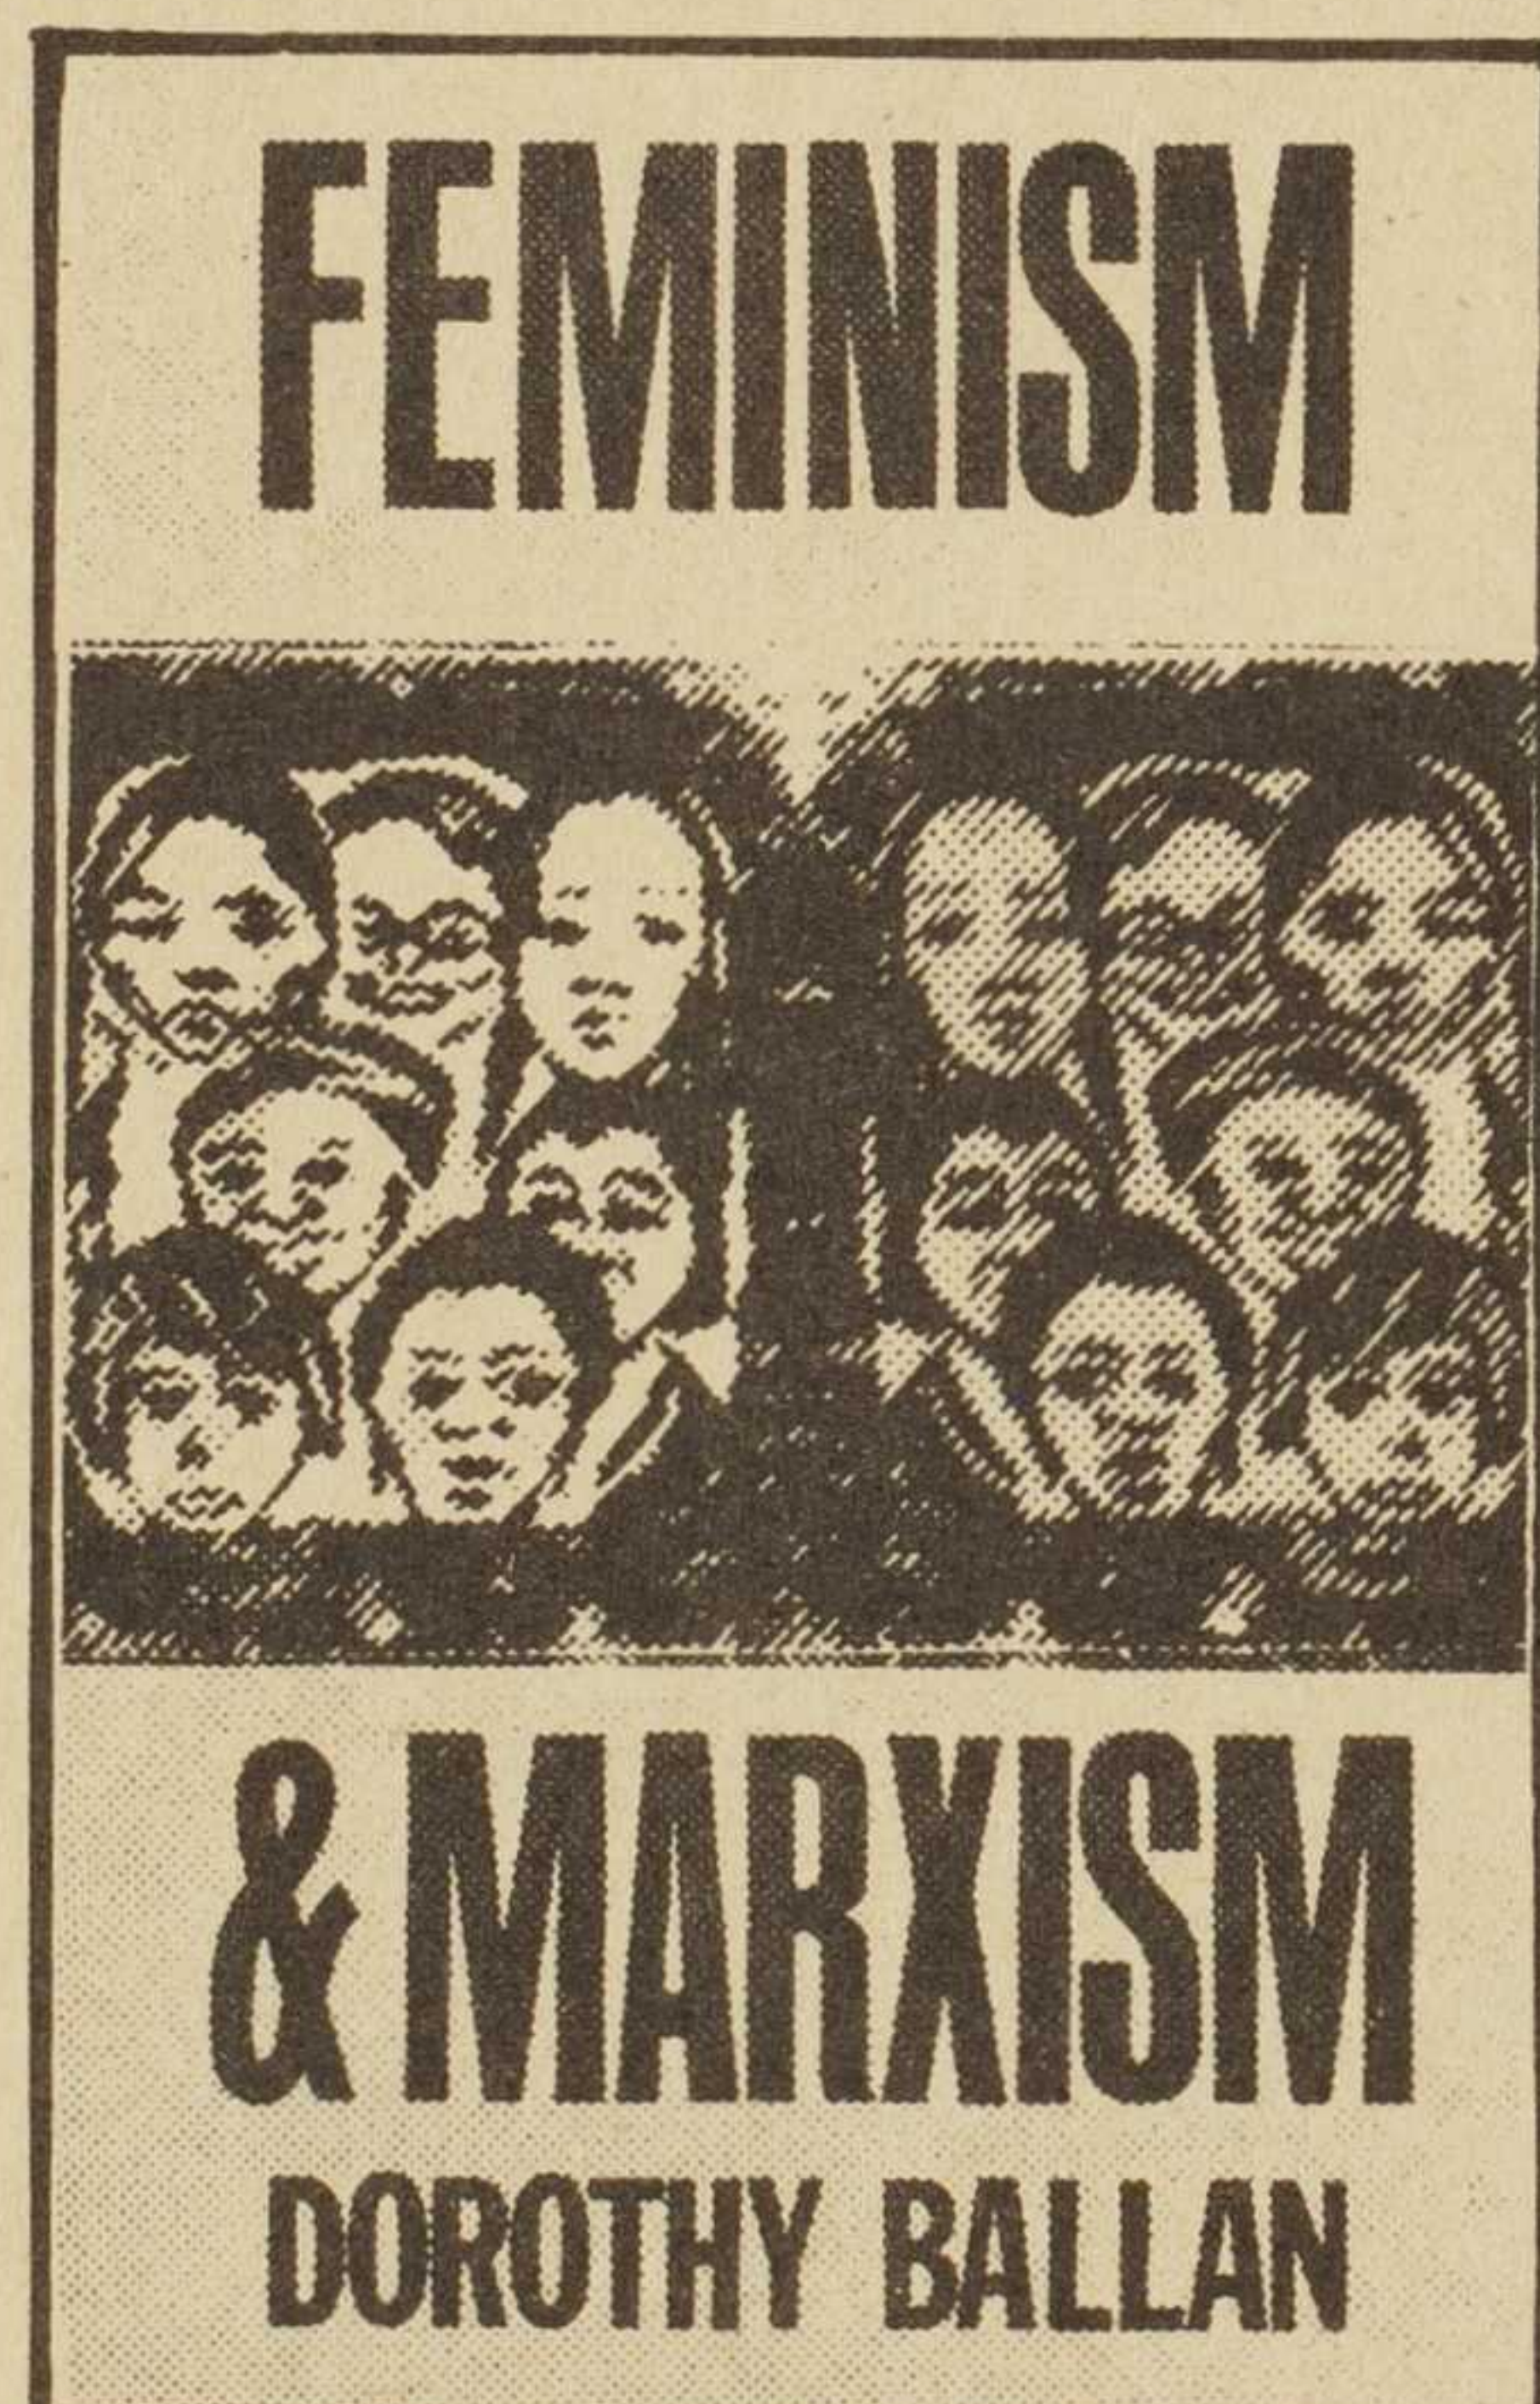

LATEST RELEASE

Journal of a Transsexual by Diane Leslie Feinberg

The Journal is a moving, personal account of the injustices, large and small, faced by women and men who differ from expected female and male roles. The author is a working class woman who has passed as a man in this society for years.

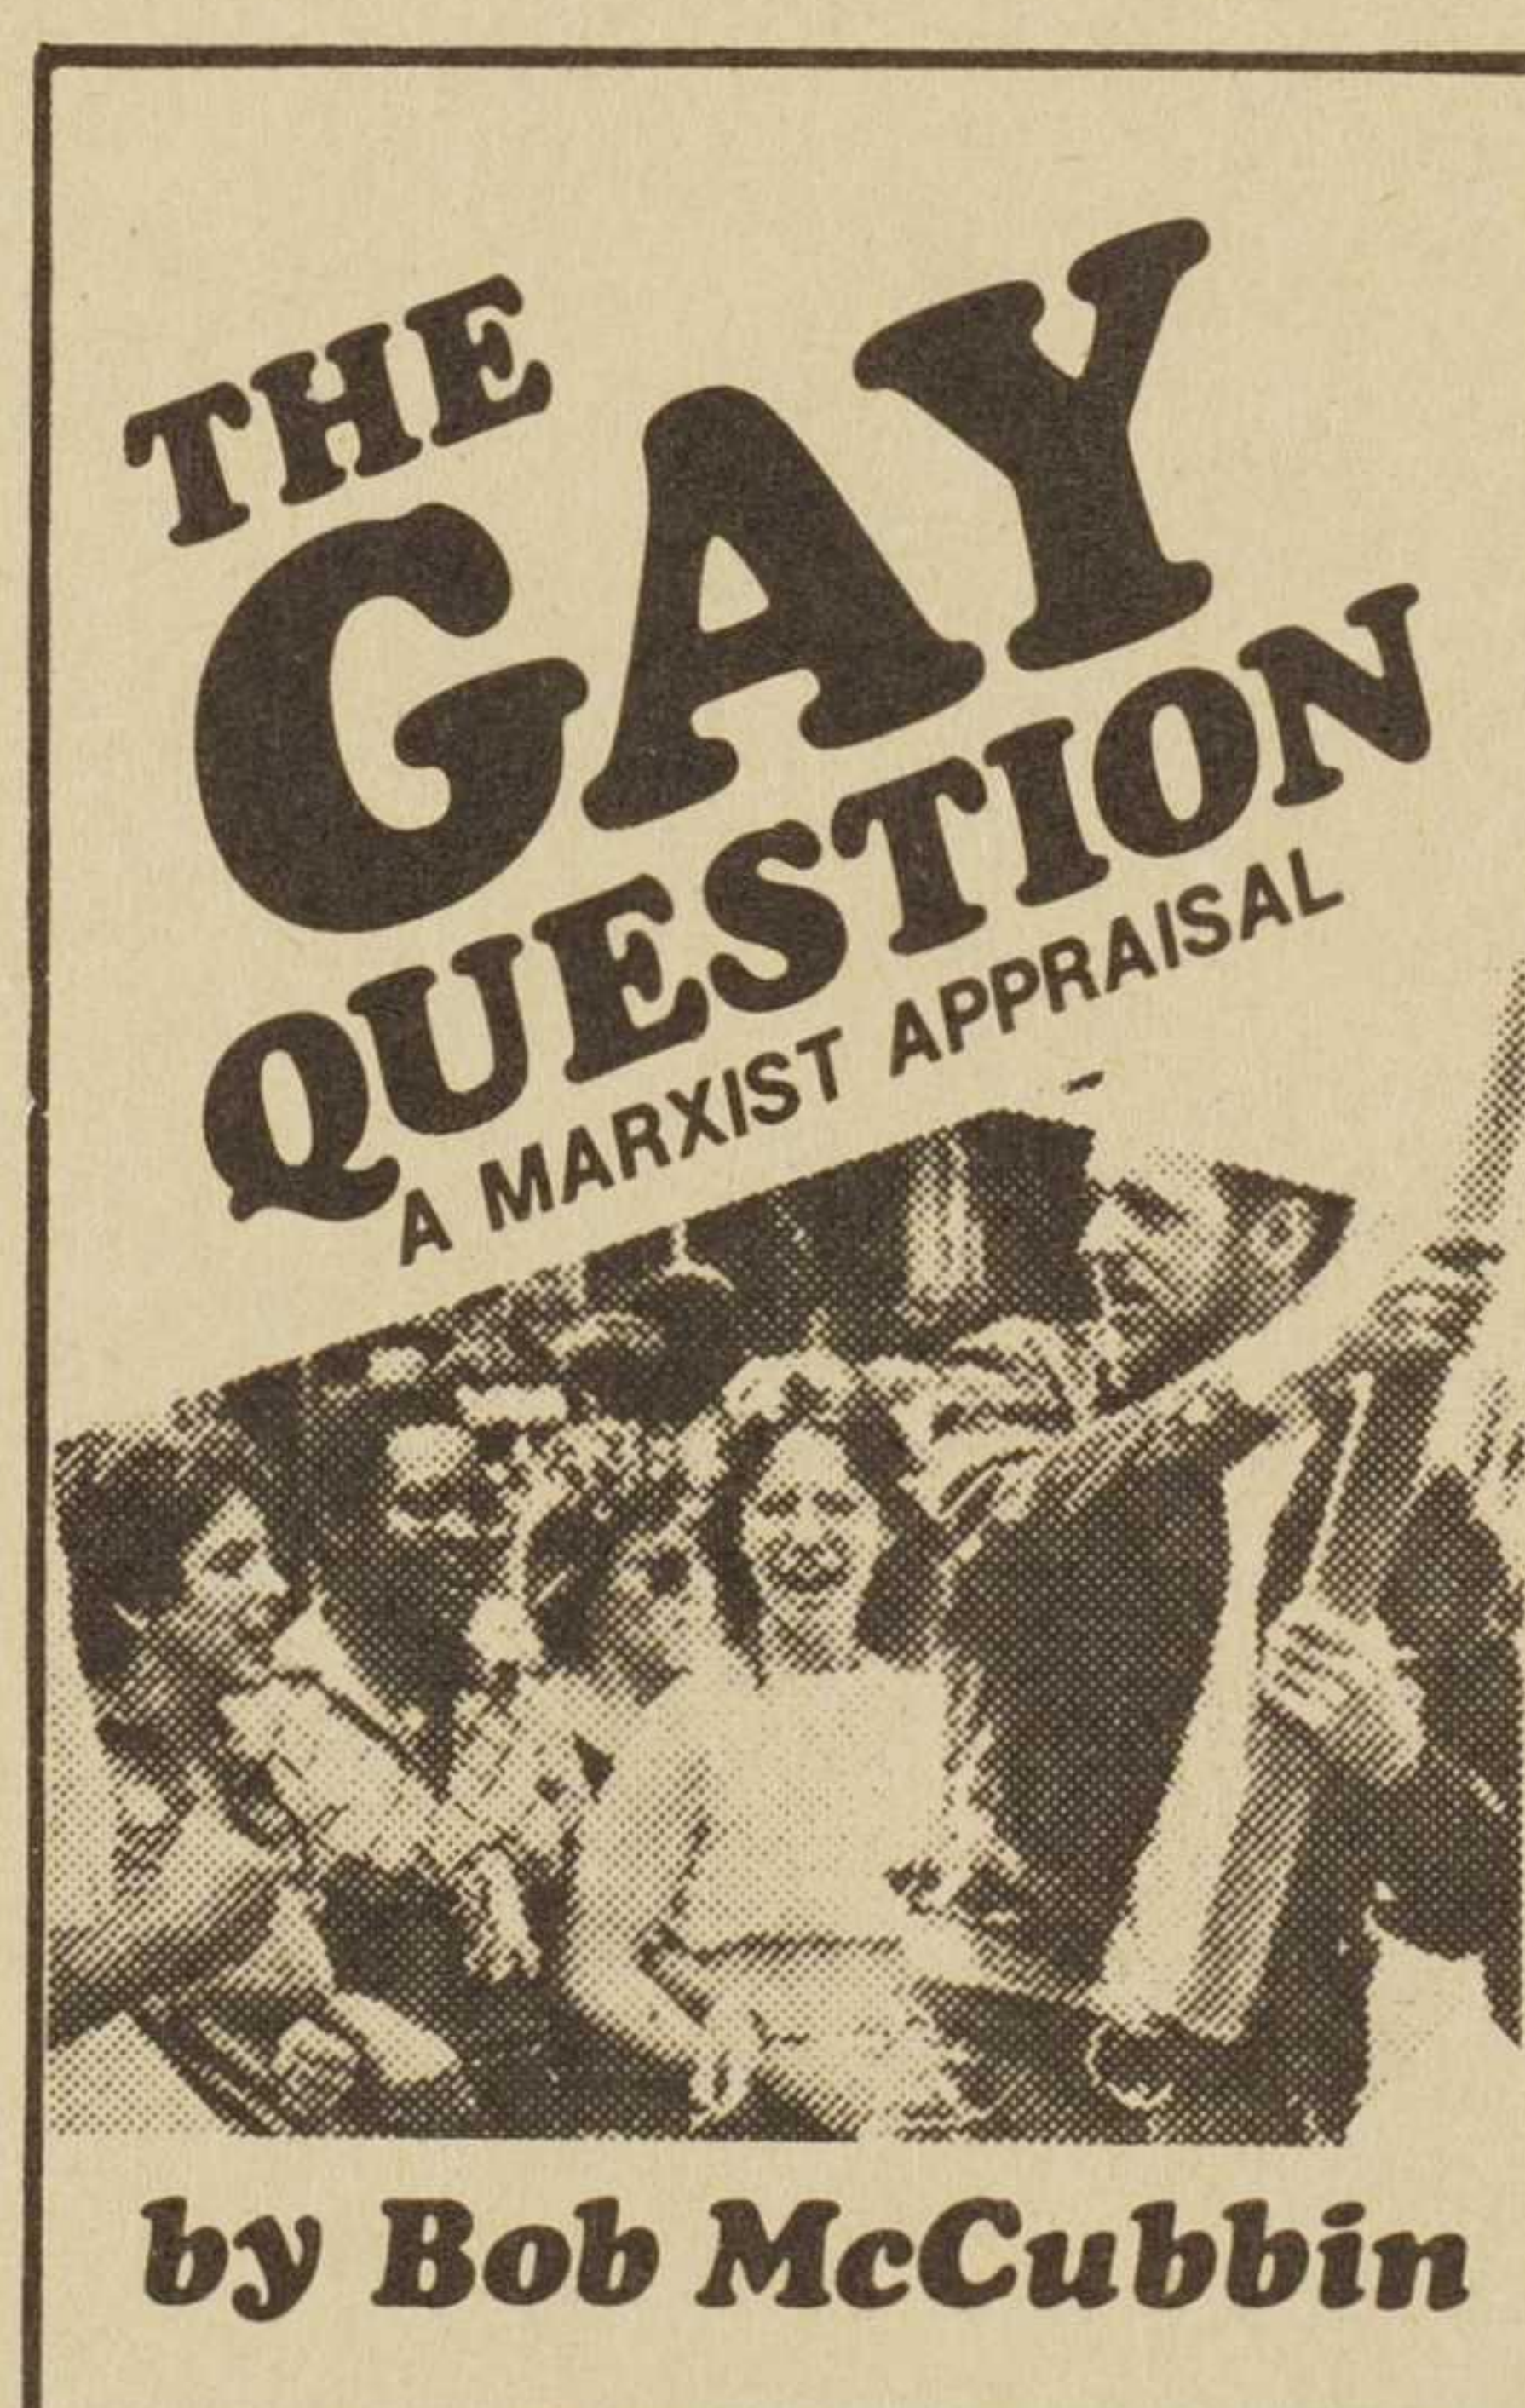

ALSO AVAILABLE

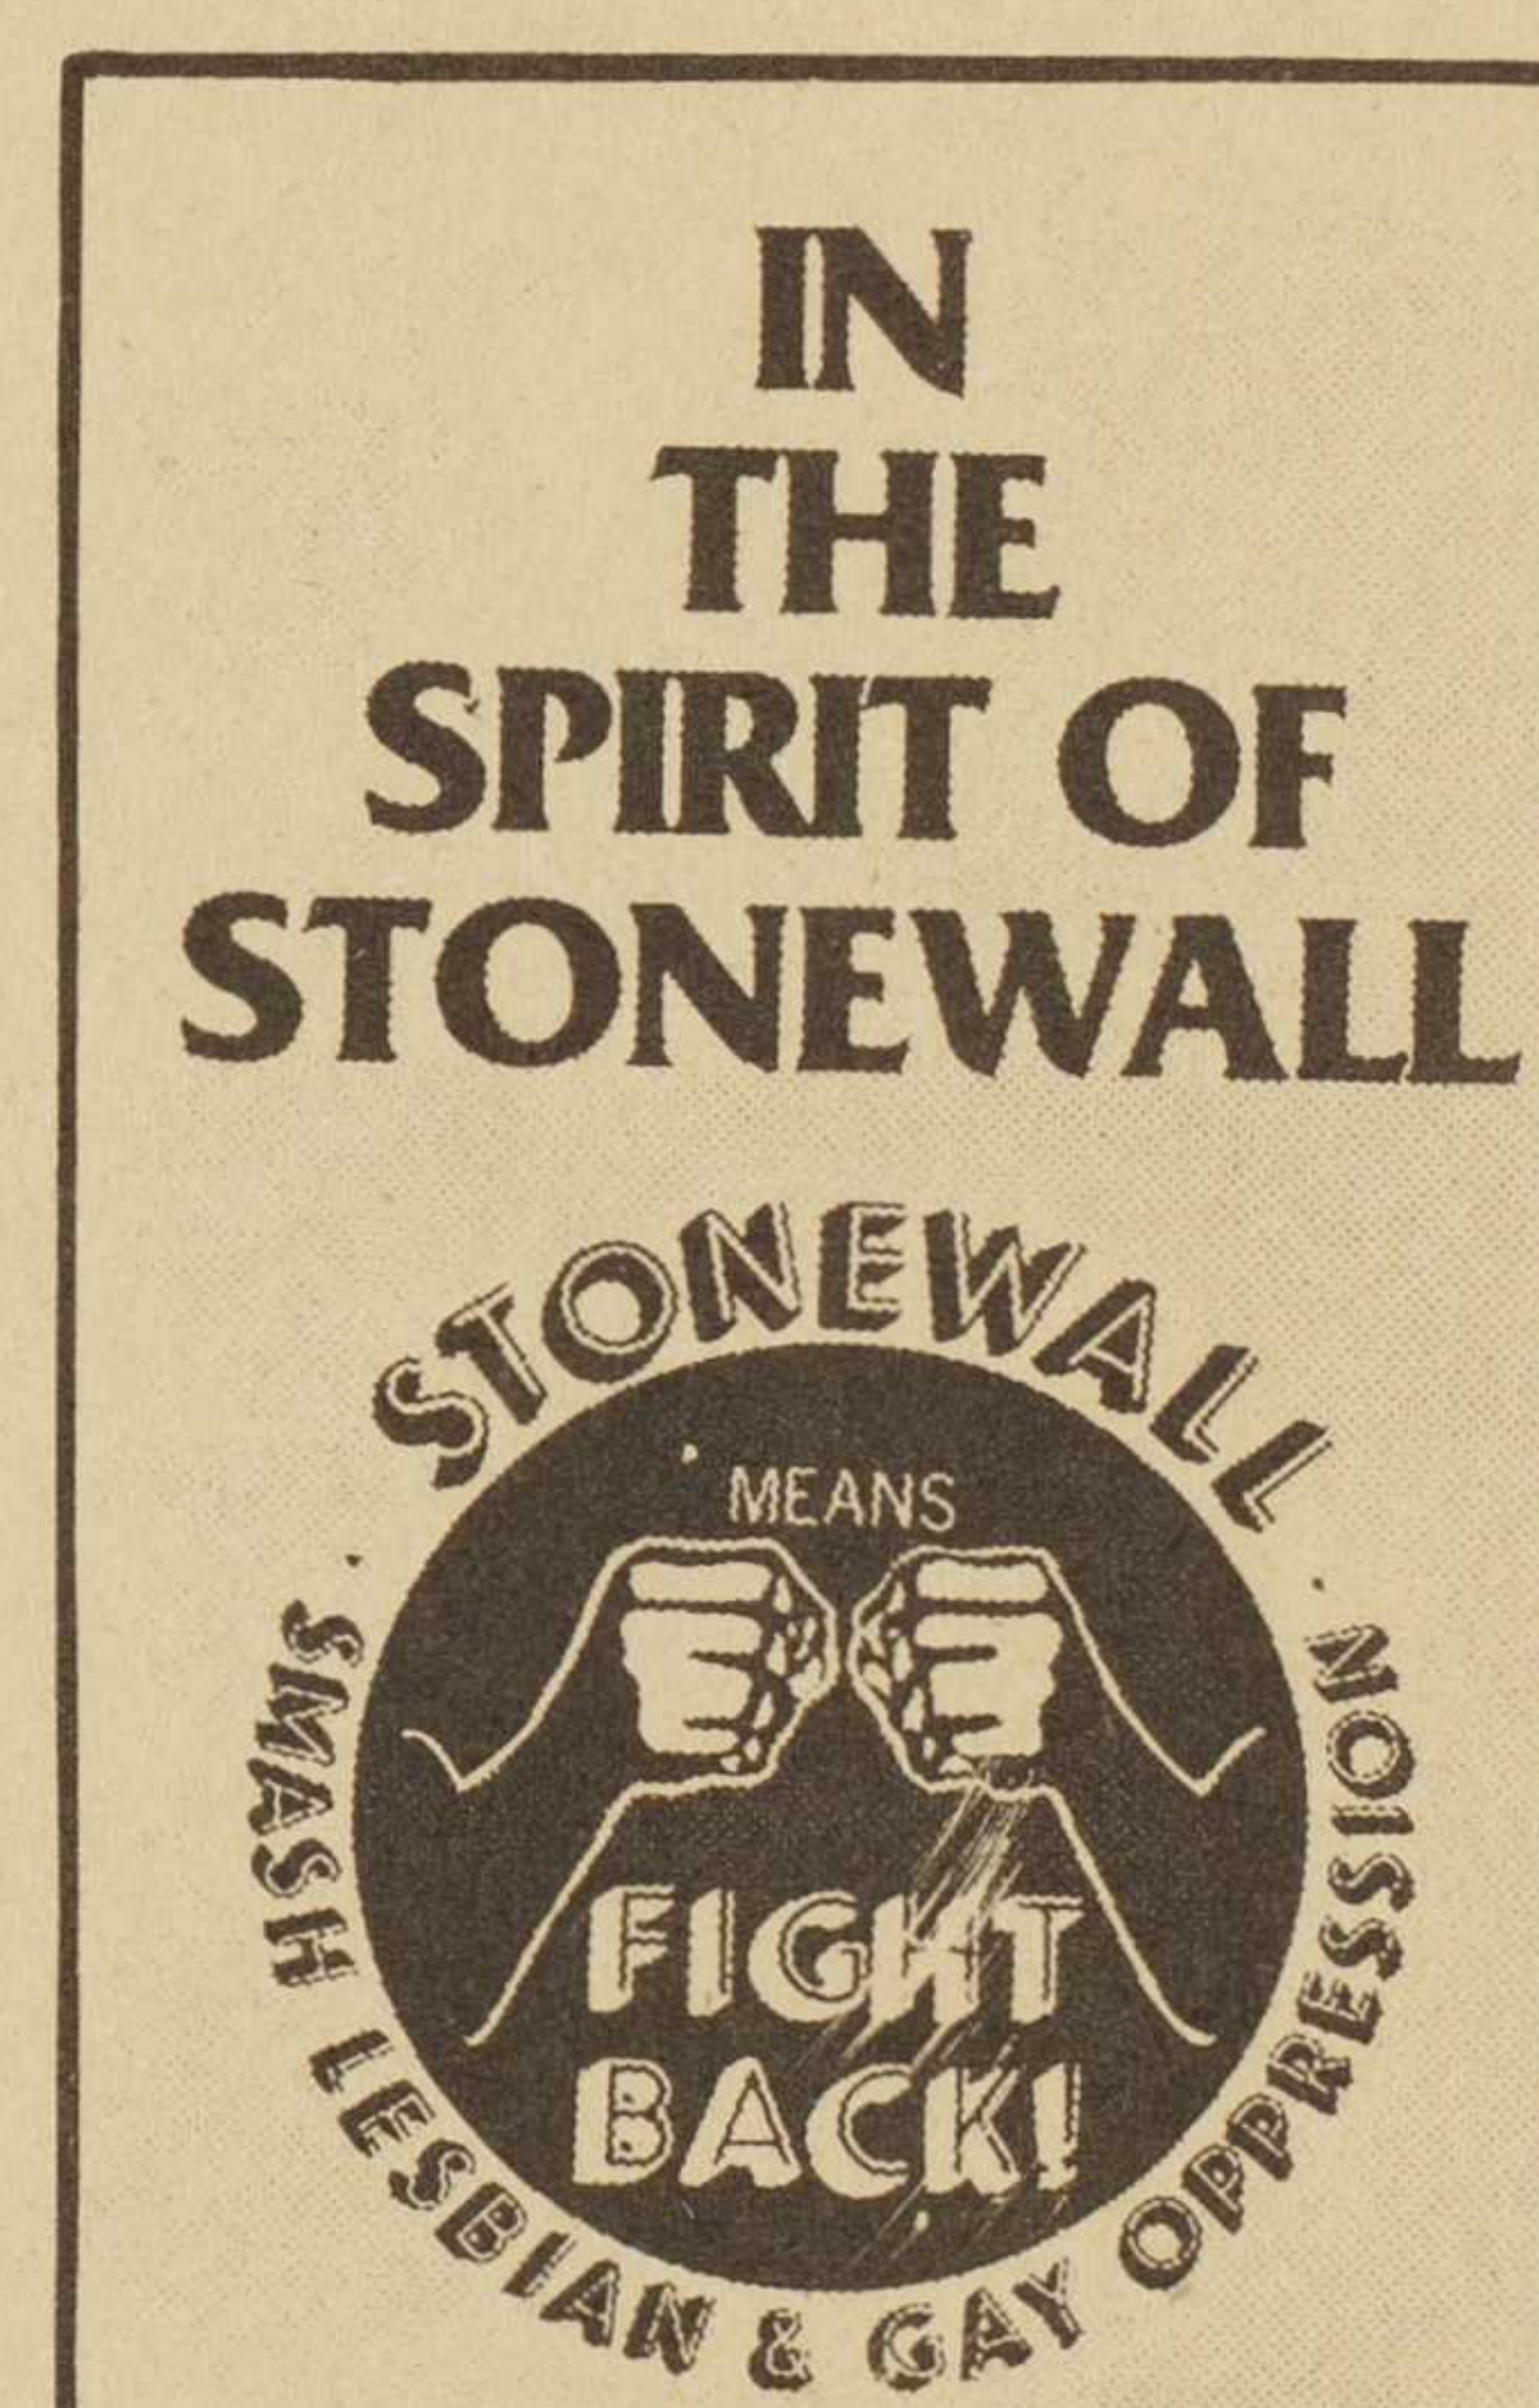

Feminism and Marxism

This booklet uncovers the roots of women's oppression in the development of class society and private property. 68 pp., \$1.50

The Gay Question: A Marxist Appraisal

This Marxist work analyzes the origin of gay oppression, traces its history from primitive communism to the Nazi holocaust and the potential for liberation under socialism. 84 pp., \$2.00

In the Spirit of Stonewall

These news articles are reprinted from Workers World and chronicle the struggle for gay liberation from the viewpoint of the participants. 85 pp., \$2.00
