

In the days to come, identification will become more and more important. Here is an opportunity to take advantage of this life-protecting provision in a manner usually available only to those in the Armed Forces, as the equipment which produces them is not easy to locate and is quite expensive.

Please print in the squares clearly. If you need additional tags, you may give the information on a plain sheet of paper, but be sure to use no more than fifteen spaces per line, as in the following example:

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	
J	O	H	N		R		W	I	L	L	I	A	M	S	Name
3	1	1	8		S	M	I	T	H		A	V	E		Street or Box No.
L	O	U	I	S	V	I	L	L	E		K	Y			Town, State, or Zip
5	0	7	-	6	3	2	-	4	7	8	3		4	2	Phone Number, Year of Birth, or Blood Type

Use any combination of information you desire so long as it does not exceed the designated number of spaces. Periods and commas are usually not necessary and are a waste of usable space.
