The Constituion Party

Basic Principles

Declares its independence from the two parties of the Republic as they have both departed seriously from their own original stated Principles. The Republicans and Democrats have in effect married, many years past, and are but one Party.

Recognize The God of our Father, Jesus Christ, as our Judge and the Divinely inspired Declaration of Independence and the Constitution of the United States as our governing standards.

Recognize the family as the essential basis unit of a free civilized nation.

Believes in less government and more individual responsibility.

Pledges full faith and loyalty to the United States of America and her sovereign people and none other.

Big government is a cancerous thing. We must cut out the growth of it that is clearly unconstitutional, otherwise, it will be fatal to the nation. Such as the Federal Reserve, the United Nations, 10 Regional government abortion, the DNR, etc.
