

Sooner or later you must learn GRACE...Casting your 'deadly doing' down at Jesus feet!

Being THE GOSPEL OF GOD it was--- "promised afore." The GOSPEL is NOT an intrusion into our lives and our world today. Some think so.

As the seed of Eternity, it is the fruit of time; the meaning and maturity of history---the fulfilment of prophecy.

Did you know? The Epistle of Romans furnishes A PRIMARY LESSON in the doctrines of our Christian faith.

The Theology of THE REFORMATION, has long found the entrance in Paul's preaching in JUSTIFICATION BY FAITH...

Many Protestant Churches today...cannot find the front door to Paul's edifice...Justification takes place in the mind of God and not in the nervous system of the believer.

Jesus Christ's righteousness, pleaded in the court of justice, is our full and final discharge.

Paul said: "Abraham believed God." What and how much do you believe?

The GOSPEL message is for those who have done their best AND FAILED!

For THE GOSPEL OF GOD is the clear manifestation of the mystery of Christ.

GOD SAVE AMERICA

General slip-shod thinking (propounded by news media and egg-heads) is the present idea to divide government into two classes, TOTALITARIAN AND DEMOCRATIC...

With this division as a constant tattoo on the brain, we reason that because we are not totalitarian---we must therefore be a DEMOCRACY.

Wrong premise---faulty conclusion!

Because the masses; and, politicians accept our Nation as a DEMOCRACY for one to express disagreement, and distrust in such a form of government---That one is immediately branded, denounced, and labeled...

We are A REPUBLIC. To label our Nation a DEMOCRACY is public declaration of our ignorance of true American History and the fundamental principles which guided our forefathers in the establishing of AMERICA.

Note: "Socialism is that phase of democracy which negates property rights. Anarchy is that phase of democracy which negates law. The initiative is that phase of democracy which makes it possible for the infuriated mob, under the leadership of the demagogue, to enact legislation." One prominent politician said: 'It's the squeaky wheel that gets the grease!'
