"Our Eleventh Year"

Dear Friends and Partners:

This month we begin our eleventh year of ministry!

You have been such wonderful friends during this last decade and I thank the Lord for each one of you. Without you we would not have been able to draw national attention to the Creation/evolution issue, without you we would not have been able to help teachers fight atheism, humanism, materialism and evolutionism, without you we could not have helped overseas groups with materials which point to Creation.

So, as this Christmas season approaches, let me say thank you and God bless you!

Christmas is such a wonderful time of the year for it was at Christmas time that our Lord God took on flesh and blood to provide salvation for all men and women -- everywhere.

I hope this Christmas will be a happy time for you and your family and loved ones. I hope the Lord will just wrap his great arm of love around you all and meet every need you have -- spiritual, physical, financial. I hope that if you are discouraged that God will take it away and replace it with His joy and expectation. If you are sad I pray you will be glad, if you are hurting I pray for a touch of our merciful God on you life.

I pray that at this Christmas season we will worship and love the Lord as never before. May it also be a time of rededication and of recommitment of our lives to serve the Lord as never before and to love and honor him in everything that we do.

That is the prayer of my heart for all of us.

As Christmas approaches, I pray that you will remember this work in your giving. I pray that you will set aside a good gift for this ministry. I know God will bless you for it.

The Word says "God loves a cheerful giver" and "it is more blessed to give than to receive." But I pray that as you give it will be blessed back to you and that you will receive as never before.

Sincerely,

Bill
