Darśan: Seeing the Divine Image in India: Second Revised and Enlarged Edition

by Diana Eck

The new edition is designed to serve as a definitive visual resource for seeing the divine image in India. It features twice as many photographs as the first, chosen to give the reader a greater sense of participation in the rites and ceremonies of Hinduism.

Gods of Flesh, Gods of Stone: The Embodiment of Divinity in India

edited by Joanne Punzo Waghorne and Norman Cutler in association with Vasudha Narayanan

Each of eight essays explores a different topic of religion in India: bhakti, popular village procession, puja rituals, spirit possession, and guru cults, giving these seemingly disparate elements of religion a common framework. All the authors have done very recent research in anthropology, philosophy, and history of religion.

The Threefold Refuge in the Theravada Buddhist Tradition

John Ross Carter, Editor

The approach of this book is unique—it examines the tradition from the viewpoint of central Buddhist teachings, and begins with the idea of “refuge,” central to any novice affirming Buddhism. It also gives prominent attention to the Four Noble Truths and the Eightfold Path.
