Dear Dr. Barnard,

I wholeheartedly support the work of the Physicians Committee for
Responsible Medicine to save animals from pain and suffering in needless
laboratory experiments. I am enclosing a contribution—as checked below—to
help you carry on this work. Please count me in as a Charter Sponsor.

Declaration of Concern and Support

**We, the undersigned, do hereby express our support for the efforts of the
Physicians Committee for Responsible Medicine.†**

- We oppose:** the shameful conditions under which laboratory animals are caged,
transported and treated in laboratories.
- We support:** the right of medical students to choose not to participate in laboratory
experiments involving live animals.
- We support:** the promotion of effective, alternative educational methods that do not
use animals.
- We support:** effective, humane research methods which reduce or replace the use of
animals in research, including epidemiological research, clinical studies,
cellular research, and computer models.
- We support:** improved legal protection for all animals in laboratories.
