

THAT WORD "CROWD"

"Do you know how many words in the English language mean crowd?"

To a foriegner, anxious to master the language, (as spoken by Americans.)

It was explained to them: a crowd of ships is termed a fleet, while a fleet of sheep is called a flock. Further, a flock of girls is called a bevy, a bevy of wolves is called a pack, a pack of thieves is called a gang, a gang of angels is called a host, and a host of porpoises is called a shoal, and a shoal of buffaloes is called a herd, and a herd of children is called a troop, and a troop of partridges is called a covey, and a covey of beauties is called a galaxy, and a galaxy of ruffians is called a horde, and a horde of rubbish is called a heap, and a heap of oxen is called a drove, and a drove of blackguards is called a mob, and a mob of whales is called a school, and a school of worshipers is called a congregation, and a congregation of engineers is called a corps, and a corps of robbers is called a band, and a band of bees is called a swarm, and a swarm of people is called a crowd....

Now: Do you understand what a "crowd" is?

The people are more important than any religious system.

The people are the only sovereigns of any country. R.D. OWEN

By gaining the people, the Kingdom is gained; by losing the people, the Kingdom is lost. CONFUCIUS

No political party should fear to go before the people for their decision.

We live in a bank-note world! Does every man have his price?

Money is manufactured by the powerful for the needs of power...Mammon is the largest slaveholder in the world!

Among the unclean things which men have manufactured to defile the earth and to defile themselves, MONEY is perhaps the most unclean. Among all the elements of that Babel of legalized theft which is sanctimoniously called commerce, none is more detestable and shameful than the use and mis-use of money....
