Aryan Christian Knights Of The KKK
P.O. Box 202
Brown Summit, North Carolina
27214

Dear ACKKKK:

I hope the Brown Summit box number is operative. I've no reason to believe otherwise but of late I've had a couple of letters returned marked "Box Closed - No Forwarding Address." One of them was minus the ten bucks I had carefully placed inside the envelope.

If P.O. Box 202 is operative I'd appreciate some descriptive literature issued by the Aryan Christian Knights. I'd be especially interested items that copy well. Technology you might agree can be pretty frightening from the big-brother-is-watching-you possibilities but it must be said that photocopy machines sometimes turn out work superior to an original.

Will be looking forward to hearing from you. Until then, I remain,

In freedom's struggle!
