

sick loved one to joy and confidence that all is in the loving hands of God.

There are many ways to need healing. Think of--

- the sufferings of physical illness
- the isolation and anxiety that illness brings on
- the grief caused by loss of a loved one
- the anxiety over those away from the Church
- the confusion of alcohol, drug, or sexual addiction
- the pain of an accident or injury
- the emptiness of depression or emotional trials
- the loneliness, aches, and infirmities of growing old.

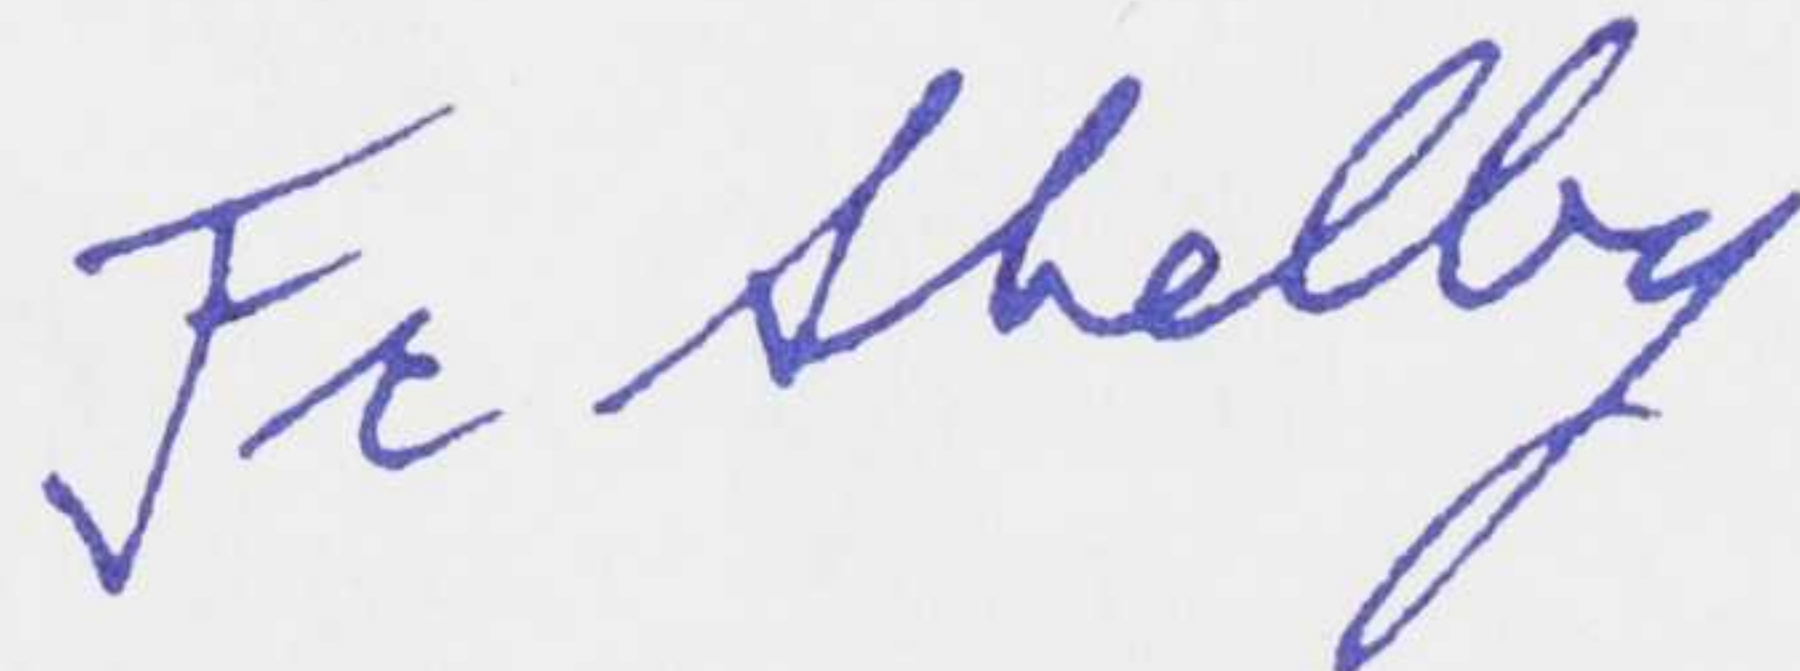

Mary wants each of us to be whole. She wants us to be the complete image of God we are meant to be. She wants to touch us with motherly care.

The Healing Remembrance Certificate represents a personal, spiritual gift from you. Mail or give it to someone you love who needs healing. Use the enclosed reply form to send the name of the person to the Shrine of our Lady of the Miraculous Medal. As long as there is need for healing, we will join you in prayer for that person.

Any donation you send--whether \$7, \$25, or \$100--will support the Association. Your gift will help bring the gospel to the poor and neglected both in America and overseas. Your help makes a difference. The Vincentians pray daily for the people who support them in their life and ministry.

I pray our Lady will protect you and your loved ones. And may her intercession gain for you the answer to your prayers as you approach her altar in trust.

Yours very sincerely,

Father Charles Shelby, C.M.  
President

P.S. Please use the enclosed Healing Remembrance to lift the spirits of someone you love who is ill.
