

do. It not only enables this small private monopoly to pick up that which it did not lay down and reap that which it did not sow, it also gives this private national money power control of the government. We are now coming very close to the time when verse 24 in Luke 19 will be fulfilled. It states: "And he said unto them that stood by, Take from him the pound, and give it to him that hath ten pounds."

In chapter 16 in Luke the Lord gave another parable on the money question. In verse 15 we read: "And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God." This nation will soon be made to realize that this mammon money system is an abomination to God, although at the present time this mammon money system is highly esteemed among men.
