

Hi George -

There is little we can do to help you, other than send you a few more Bulletins. We are an info clearinghouse which passes info on, orally (our voice info service) or by Bulletin. We don't retain or catalog.

Suggest you contact Hedy AMR, Middle East Justice Network, PO Box 558 Cambridge, MA 02238. Or any good sized library. Or the UN, which puts out excellent stuff. Write the Div for Abolition Rights. Or write the sources quoted in our Bulletin on Congressional Hearings.

Sincerely,
Bob Wright
