

Jesus said He was "not sent but unto the lost sheep of the house of Israel." He also said "my sheep hear my voice and they follow me." If the Jews are the 'lost sheep' to which He referred, why is it that they do not follow Him?

And, contrariwise, if we are Gentiles, (uncovenanted people), we do follow Him?

Sounds like crossed questions and crazy answers!

If the Jews are Israel where are the many nations that were to come into being thru them? Genesis 35:11 and 48:19-20

We know the Kingdom was promised to Israel. If it requires being 'born again' thru faith in Jesus Christ in order to enter the Kingdom of God, why are not the Jews doing this?

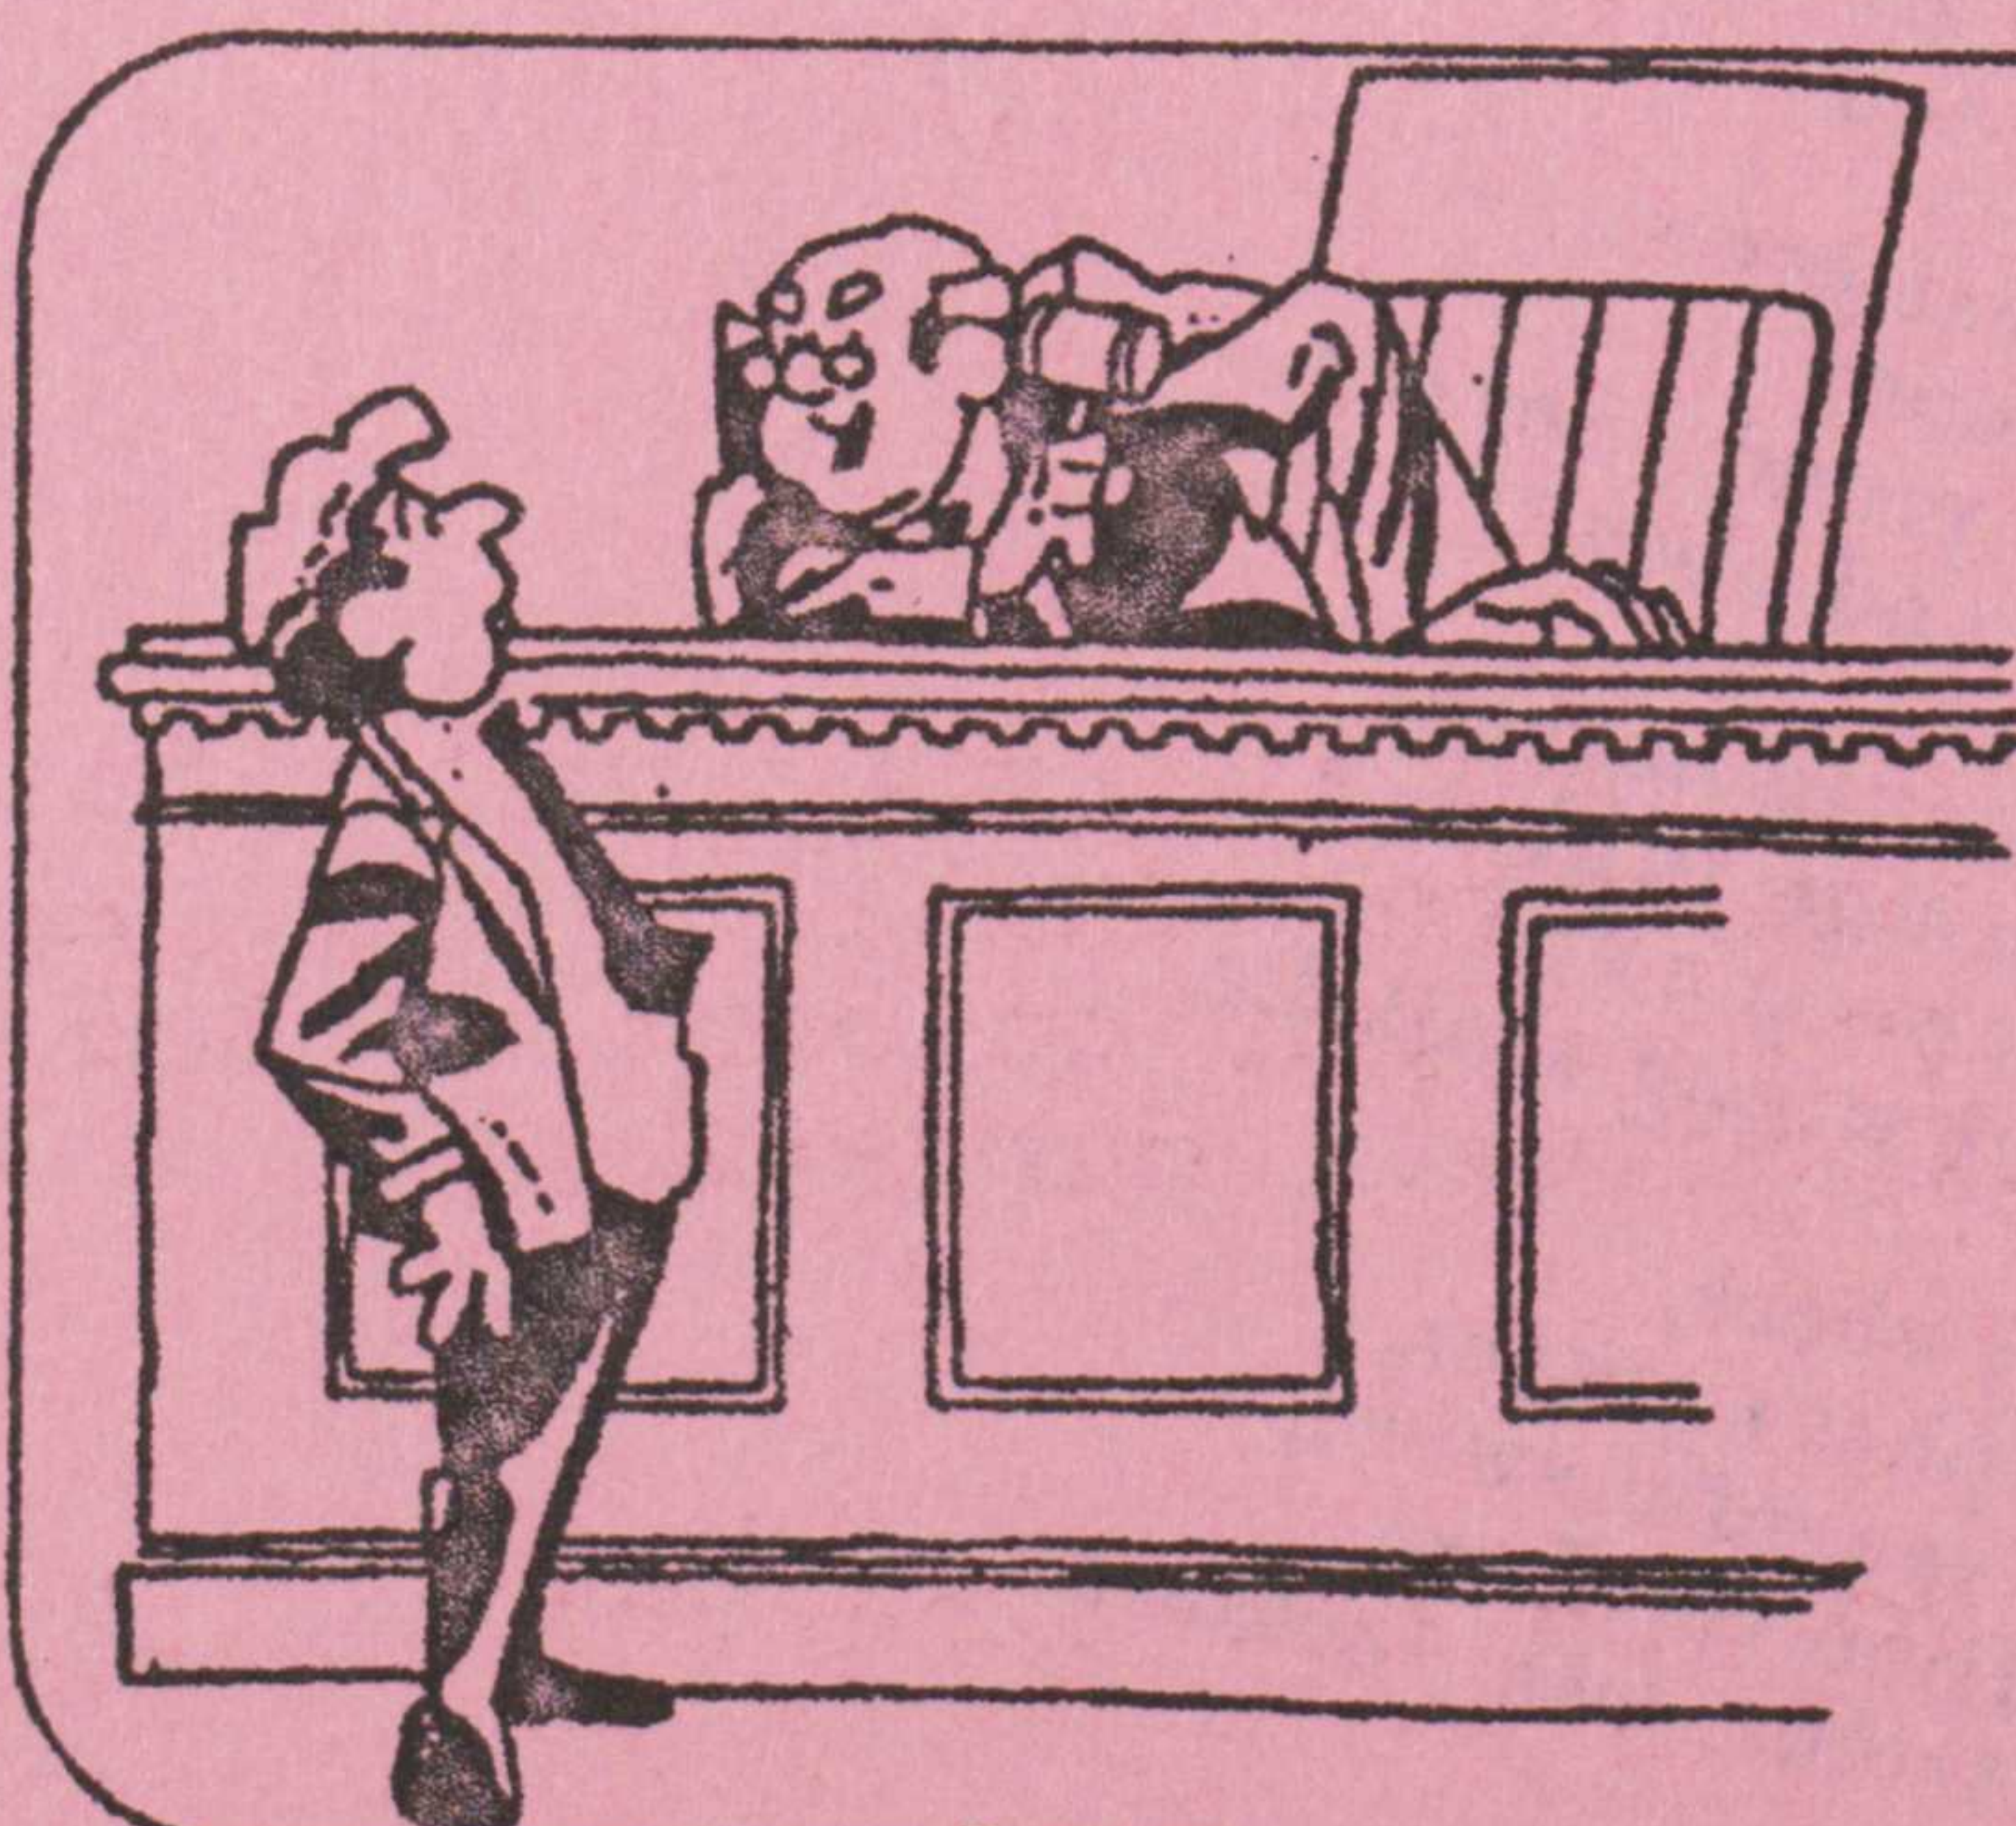

Remember? Because the Jews rejected Christ, etc.

In Isaiah 60:1-3 It is foretold that the glory of the Lord would arise upon Israel. Do you believe that to be true of the Jews? If not... then, who are those who are called Gentiles upon whom the glory of the Lord is now found?

If we (Anglo-Celtic-Saxon European peoples) are Gentiles---Then who are the millions of Asia?

If we are Gentiles then how is it that we have in our care and our custody that Israelitish book, the HOLY BIBLE?

Why is it not in the care of the Chinese, Japanese, or other Asiatics?

Judge: "No, your child cannot pray in school!"

Christian: "Why not, Judge?"

Judge: "Because the goal of education today has nothing to do with God! You & your child are sick, I sentence you both to 12 Years in our indoctrination program. Then we can clarify your values!"
