SALVATION
AND
REINCARNATION

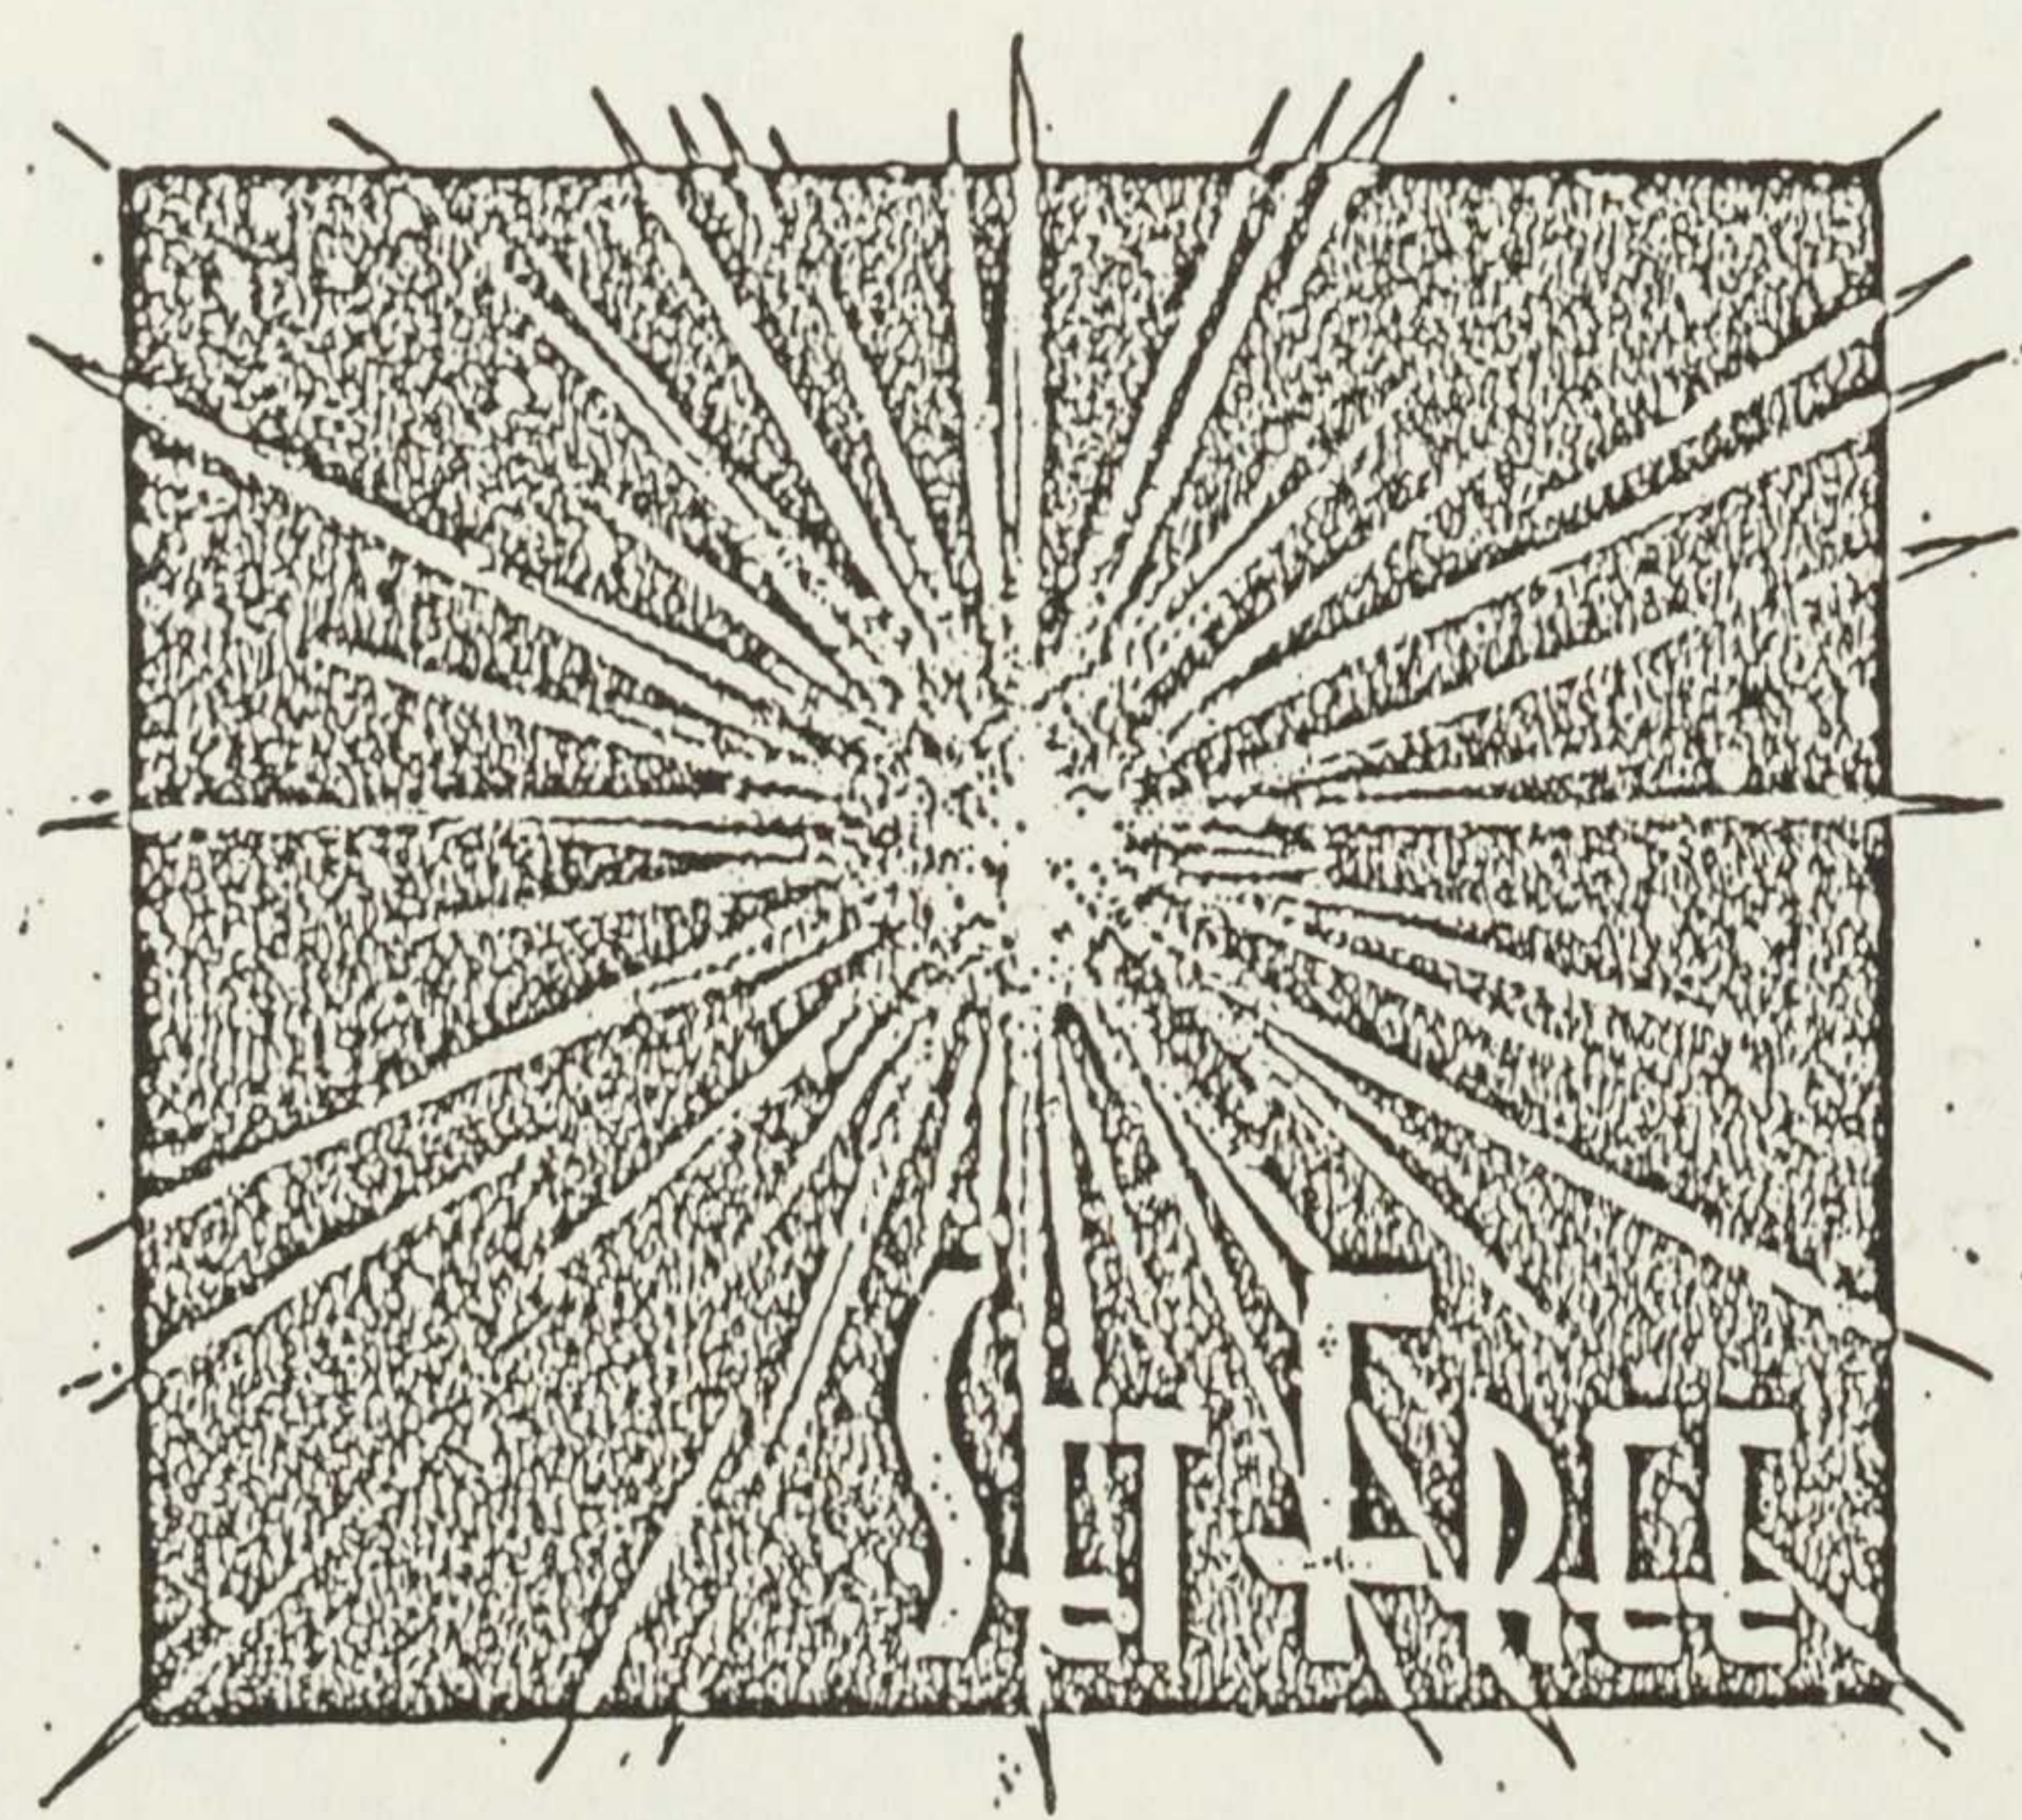

IN THE BIBLE
BY
GARY HANSON

1. SALVATION and REINCARNATION - The Bible teaches that Reincarnation is a part of eventual Salvation, through the power of the MESSIAH. Some of the "early Church Fathers" feared the idea of Reincarnation because it removed the need for Salvation in this lifetime. By expunging all references in the Bible to Reincarnation, those who Canonized the Bible were able to teach that the soul begins at birth, and must be "saved" before the death of the body. In this manner Conversion through torture and death could be justified by Church leaders. But this report shows you that the Bible still teaches that your soul pre-existed your physical birth, and that the earth was created for the purpose of Reincarnation so that all might "be saved." Learn how Reincarnation can lead to MESSIAH and Salvation.

HOLY BIBLE

TEXTBOOK FOR THE NEW AGE

2. HOLY BIBLE: TEXTBOOK for The NEW AGE - The Bible reveals the purpose of the coming New Age of Aquarius! The age of Aries, which replaced the age of Taurus, ruled the earth from the time of Abraham to the coming of Messiah. It was symbolized by sacrificing lambs (the Ram), and revealed the existence of God the FATHER. The age of Pisces ruled the earth from the time of MESSIAH to the present. It was symbolized by the miracle of 2 fishes that fed 5,000 people, and revealed the existence of God the SON. The soon coming Age of Aquarius will be symbolized by purifying waters, and will reveal the true character of the HOLY SPIRIT. These three Ages are dominated, respectively, by the priesthoods of Levi, Christianity, and Melchisedec. This report is for anyone who desires to know what the Bible teaches about the coming New Age of Aquarius.
