

In this terrible struggle of ideas our American people do not know who they are; where they came from, what they are here for and where they are going...

We are desperately ignorant of the Christian World-View.

Puzzled and dismayed by the distressing events crowding in upon us, verily taking place hourly, people are asking who and how such terrible things could happen in our Nation.

THE BIG TROUBLE IS FINDING SOMETHING TO BELIEVE IN...For we have believed almost everything but truth!

AMERICA HAS LOST THE APOSTOLIC VISION...Our Manifest Destiny. We have not yet heard collectively the voice of prophecy!

"But Israel shall be saved in the LORD with an everlasting salvation: ye shall not be ashamed nor confounded world without end." ISAIAH 45:17

Instead: False Prophets have misdirected us as to who---THE EVERLASTING PEOPLE are!

If the following statement by a famous Anglican Bishop of long ago were to be followed it would cure a great many minds....

BISHOP RYLE CONDEMNS SPIRITUALISING

"I WARN YOU that unless you interpret the prophetic portion of the Old Testament in the simple, literal meaning of its words, you will find it no easy task to carry on an argument with an intelligent Jew. Will you tell him that Zion, Jerusalem, Jacob, Judah, Ephraim, Israel, do not mean what they seem to mean but mean the Church of Christ?

"... the Church of Christ (*must*) wake out of its sleep about Old Testament prophecy. From the time of the Old Fathers down to the present day men have gone on in a pernicious habit of spiritualising the words of the prophets until their true meaning has been well-nigh buried... For centuries there has prevailed... an unwarrantable mode of dealing with the word 'Israel.'... In reading the words which God addressed to His ancient people, never lose sight of the primary sense..."

For God to give promises which He foresaw He would not fulfil would be deliberate falsehood; this cannot be.
