THE FOUNDATION'S SOLUTION: Let each individual who would effectively combat socialism become an accomplished interpreter of the freedom philosophy. The role of the Foundation staff is to do the research, to develop the rationale, to publish the literature, and to make these aids available to all individuals who would cope with the socialistic menace *positively*.

HOW IS THE FOUNDATION FINANCED? FEE is financed solely by the voluntary responses its work evokes. There is no solicitation. Anyone requesting a Donor Form, however, will receive one promptly.
