“I always feel the movement is a sort of mosaic. Each of us puts in one little stone and then you get a great mosaic in the end.”

Alice Paul

In keeping with Alice Paul’s vision of the women’s movement as a great mosaic, the Alice Paul Centennial Foundation plans to create a memorial garden on the grounds of Paulsdale to honor the women and men who have contributed to the struggle for women’s equality in

the United States and around the world. A stone mosaic will be the garden’s centerpiece. Gifts of \$300 or more to Preserving Paulsdale will be acknowledged by a stone carved with the name of the donor, or in honor or in memory of a person or organization of the donor’s choice.

A donor contributing \$500 or more will become a Friend of Paulsdale and will receive, in addition to the garden stone, a limited edition lithograph of Paulsdale.

I wish my/our gift to be acknowledged on a carved stone as follows:
